

Attention...!!
Parents of an incoming 7th grade student

**** Important Vaccination Information ****

→ Is your child entering the 7th grade next year?

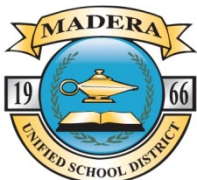

If your child will enter the 7th grade in August 2012, they MUST receive a Tdap “whooping cough” (pertussis) vaccination after their 7th birthday.

Proof of receiving the Tdap vaccination must be provided to your school, or your child WILL NOT BE ALLOWED TO START SCHOOL IN AUGUST 2012.

If your child will be a 7th grader in August 2012, please make sure they have received their Tdap vaccination as soon as possible, and turn in the proof of immunization to your child’s school nurse.

QUESTIONS/MORE INFORMATION:

Should you have any questions about the Tdap vaccination, please contact either your school’s nurse or your health care provider.
