

# Oral Reading Fluency Tracker

**Directions:** Administer three benchmark fluency assessments three times during the school year: fall, winter, and spring. Place a dot to indicate the words read correctly per minute (wcpm). Connect the dots to show student progress over the year. Then record the median (middle) score for each administration and whether the student has achieved the program-level goal.

Level B	Median Score	Grade 2 Norms	Has the Student Reached the Goal?	
Fall	_____ wcpm	51 wcpm	<input type="checkbox"/> Yes	<input type="checkbox"/> No
Winter	_____ wcpm	72 wcpm	<input type="checkbox"/> Yes	<input type="checkbox"/> No
Spring	_____ wcpm	89 wcpm	<input type="checkbox"/> Yes	<input type="checkbox"/> No
