MUSD LOCKER

The screenshot displays the Intel-Assess MUSD Locker interface. At the top, a welcome message reads "Welcome Cindy Ellis from Madera Unified School District". Below this, a dark grey navigation bar contains a "Help Videos" button, which is circled in red. A dropdown menu is open from this button, listing the following items:

- Blueprint Process Overview
- Blueprints Step 1
- Assessment Creation Step 1
- Common Core Blueprints
- Assessment Versions
- Assessment Actions Button
- CC Quick Checks - Math
- CC Quick Checks - ELA
- K1 Math Overview
- K1 English/Language Arts Overview
- Performance Tasks Overview

On the left side of the interface, there is a vertical sidebar with a list of folders. A red bracket highlights a group of folders, including one labeled "Published View History". The main content area features a table with columns for "Status" and "Aut". The table contains several rows, with the first row showing "Started" and the subsequent rows showing "Published View History".

TABLE TALK

Discussion Questions

- How does an ELA PT prepare students for the final task (extended writing prompt)?
- In what ways could the parts and options of the ELA PTs be utilized to best serve the needs of all learners?
