Such report must include the title of the position and any changes in compensation. The reporting of actions on disciplinary matters may be deferred until the first public meeting following the public meeting following the exhaustion of any administrative remedies.

2.2.5.1.2 Consideration of complaints brought against employees.

2.2.5.1.3 The District's budget, funding priorities and/or available funds are not proper subjects and shall not be matters of a closed session discussion.

2.2.5.2 The Commission may hold closed sessions during any regular or special meeting to consider the appointment, employment, performance evaluation, dismissal, or the hearing of complaints or charges brought against employees by another person or employee unless such employee requests a public hearing. As a condition of holding a closed session on the complaint, formal charges, or a disciplinary matter, the affected employee shall be given a written notice regarding the matter and the right to have a public hearing rather than a closed session; which notice shall be delivered to the employee personally or by mail at least twenty-four (24) hours before the time scheduled to hold the regular or special Commission meeting. If notice is not given as prescribed, any punitive action taken relative to the employee shall be null and void. During the examination of a witness, the Commission may exclude other witnesses even though the hearing is held as part of a public meeting. If a hearing is held in closed session, the Commission may exclude other witnesses as well as the general public while the matter is being investigated. Following the public hearing or closed session, the Commission may deliberate on the matter and reach its decision in a closed session.

2.2.5.3 A violation of the confidentiality of a closed session by a member of the Personnel Commission constitutes a misdemeanor under the provisions of Government Code Sections 1222 and 1770(h). Repeated violation of the confidentiality of a closed session by a commissioner may be considered grounds for removal from office.

AMENDMENTS, DELETIONS, OR ADDITIONS TO RULES:

All proposals, to amend, delete, or add to these Rules and Regulations will be considered for a "first reading" at the meeting in which they are first presented to the Personnel Commission. They will not, unless an emergency exists, be acted upon when presented for a "first reading."

- 2.2.7.1 On a first reading, the Personnel Commission will set a date for Commission action on the proposal, which date shall normally be the next regularly scheduled Commission meeting. The Director-Personnel Commission will refer the proposed rule changes to the designated representatives of recognized employee organizations representing the District's classified employees, the Superintendent of Schools, and others who have indicated their interest in such matters in order to provide them with an opportunity to submit their comments or recommendations.

- 2.2.7.2 Insofar as possible, the interested parties shall submit their reactions and/or recommendations to proposed Rule changes in writing on or before the agenda deadline date (see Personnel Commission Rule 2.2.6). The Director-Personnel Commission and other persons required to carry out the day-to-day responsibilities of the Personnel Commission shall be selected by the Commission. The Commission shall decide on how those employees will be utilized and determine the assigned time of each employee reporting to the Commission. However, the persons so employed shall be a part of the District's classified service and subject to all of the rules, procedures, benefits, and burdens pertinent to the classified service; except as the Commission may specifically direct.

Such individuals or groups will be asked to put the matter(s) in writing so that they may properly be placed on a Commission agenda.

The Madera County Superintendent of Schools, upon receipt of the Board's objections or concerns, will schedule a public hearing on the budget concerns.

The public hearing shall be held within the boundaries of the District.

REFERENCE: Education Code Sections 45253 and 45260

The County Superintendent may reject the Personnel Commission's adopted budget, but may not amend the budget without the approval of the Commission. In the absence of agreement between the Personnel Commission and the County Superintendent of Schools regarding the amount of money to be budgeted for the Commission's operations, the amount of the prior year's budget, adjusted upward for any salary and fringe benefit increases granted to classified employees by the District, shall determine the amount of the new Personnel Commission budget. All employees serving in the District's classified positions shall be classified school employees. The employees and positions shall be known as the Classified Service.

REFERENCE: Education Code Section 45256

- 3.1.2 EXEMPTION FROM THE CLASSIFIED SERVICE: Positions required by law to have certification qualifications, part-time playground positions, full-time day students employed part-time, part-time students employed part-time in any college work-study program or in a legally authorized work experience program conducted by a community college district, apprentices, community representatives (as provided by law), and professional experts employed on a temporary basis for a specific project by the Board of Education or by the Personnel Commission when so designated by the Personnel Commission shall be exempt from the classified service.

REFERENCE: Education Code Sections 45256 and 45258

- 3.1.3 "PART-TIME" DEFINED: A part-time position for the purpose of exemption under Personnel Commission Rule 3.1.2 is a temporary position for which the assigned time, when computed on an hourly, daily, weekly or monthly basis is less than eighty-seven and a half percent (87.5%) time of the normally assigned time for the majority of employees in the classification to which assigned, or the majority of the employees in the classified service, whichever amount of time is the lesser.

REFERENCE: Education Code Sections 45256 and 45260

- 3.1.4 EFFECT OF EXEMPTION: Any position or employee totally exempted from the classified service by law shall be excluded from the benefits and burdens imposed by these Rules and Regulations, except as otherwise provided by law, the Board of Education, or these Rules and Regulations.

The District may employ such students pursuant to the Education Code. Employment of either full-time or part-time students in any college work-study program, or in a work experience education program shall not result in the displacement of classified personnel or impair existing contracts for services.

REFERENCE: Education Code Sections 45256, 45260, 45261

## 3.2 GENERAL CLASSIFICATION RULES

- 3.2.1 ASSIGNMENT OF DUTIES: The Board shall prescribe the duties and responsibilities of all positions in the classified service except those in the Commission staff. When the duties being performed by an employee are found to be inconsistent with the duties officially assigned to a specific position, the Director-Personnel Commission shall report the facts to the responsible administrator in order that appropriate action may be taken.

REFERENCE: Education Code Sections 45109, 45241, 45264, and 45276

- 3.2.2 GENERAL CLASSIFICATION PLAN: The Commission shall classify all employees and positions within the jurisdiction of the Board or the Commission, except those positions which the Commission determines are exempt from the Classified Service pursuant to Chapter 3.1.2. The Commission shall maintain a classification plan for all positions. The employees and positions shall be known as the Classified Service. To classify shall include, but not be limited to:

- 3.2.2.1 Allocation of all positions to appropriate classes.
- 3.2.2.2 Arrangement of classes into occupational hierarchies (job families).
- 3.2.2.3 Determination of reasonable percentage relationships between classes within the occupational hierarchies.
- 3.2.2.4 Determination of reasonable percentage relationships between occupational hierarchies.
- 3.2.2.5 Preparation of written class specifications.

REFERENCE: Education Code Sections 45104, 45105, 45109, 45256

3.2.3

CLASS SPECIFICATIONS: All class specifications shall be considered by reference as a part of these Rules and are included in Appendix A of these Rules. For each class, the Personnel Commission shall establish and maintain a class specification, which shall include:

- 3.2.3.1 The class title.
- 3.2.3.2 A definition of the class, indicating the type of duties and responsibilities, as assigned by the District, and placement within the organizational scheme.
- 3.2.3.3 A statement of distinguishing characteristics which differentiates the class from other related or similar classes.
- 3.2.3.4 A statement of the examples of duties to be performed by persons holding positions allocated to the class. The Commission shall develop this statement from the list of duties presented to it by the Board of Education.
- 3.2.3.5 A statement of the minimum qualifications for service in the particular class. The minimum qualifications may include education, experience, knowledge, skills, abilities, personal and physical traits and characteristics.
- 3.2.3.6 A statement about any license, certificates, or other special requirements for employment or service in the particular class.
- 3.2.3.7 A statement about any physical requirements required of positions in the class.
- 3.2.3.8 A statement about any additional qualifications considered to be so desirable that any person applying for employment who possesses such qualifications may be given additional credit in the evaluation of his/her qualifications, even though such additional qualifications were not listed as a prerequisite.
- 3.2.3.9 Minimum qualifications shall not require a teaching, administrative, or other credential, nor may they require work experience that would restrict applicants to credential holders. Titles may not be assigned that would restrict competition to holders of credentials.
- 3.2.3.10 The title of the class shall be used as the title of all positions in the class on payrolls submitted to the Commission for auditing and in the records and correspondence of the Commission and the Board of Education.

REFERENCE: Education Code Sections 45256, 45260, 45276, and 45277

3.2.4

INTERPRETATION OF CLASS SPECIFICATIONS: The class specifications and their various parts have the following force and effect:

- 3.2.4.1 The definition and typical tasks are descriptive and explanatory only and not restrictive, indicating the kinds of

positions that should be allocated to the respective classes as determined by their duties, responsibilities, and qualification requirements and do not prescribe what these details shall be in respect to any position.

- 3.2.4.2 The use of a particular expression or illustration as to duties, responsibilities, qualification requirements or other attributes is typical or descriptive of the class and does not exclude others not mentioned but of similar kind and/or quality as determined by the Commission.
- 3.2.4.3 The specification for each class is considered as a whole in determining the class to which any position shall be allocated, giving consideration not to isolated clauses, phrases or words, but to the general duties, responsibilities, specific tasks and qualification requirements as affording a picture of the positions that the class includes.
- 3.2.4.4 Each class specification is construed in its proper relationship to other specifications, particularly those of classes in the same series in such manner as to maintain a proper relationship in the series in which the class is located and proper differentiation within the group of classes.
- 3.2.4.5 The following personal qualification requirements apply to all classes even though not necessarily specifically mentioned in the specification: freedom from communicable diseases; freedom from physical or mental impairment to perform the duties of the class to the extent under federal and state laws; dependability; good judgment; good moral character and reputation; loyalty; ability to work cooperatively with others; and willingness and ability to assume the responsibilities and to conform to the conditions or work characteristics of the particular position.
- 3.2.4.6 The statement of qualification requirements, when considered with other parts of the specification, is to be used as a guide in the announcement and preparation of tests and in the evaluation of the qualifications of candidates seeking appointment, but does not require a particular form or content of test or testing procedure.

REFERENCE: Education Code Sections 45256, 45260, and 45276

- 3.2.5 CREATION OF NEW POSITIONS: When the Board of Education creates a new position or approves a reorganization that modifies the duties and/or responsibilities of a classification or position, it shall submit the duties officially assigned to the classification/position, in writing, to the Director-Personnel Commission. The Board may recommend minimum educational and work experience requirements for the classification/position. The Director-Personnel Commission shall present recommendations to the Commission for action. The Commission shall:

- 3.2.5.1 Determine if the new position shall be a part of the Classified Service or exempt under Rule 3.1.2.

- 3.2.5.2 Classify the position and determine whether the position should be allocated to an existing class or whether a new class should be established.
- 3.2.5.3 If a new class is recommended, the Director-Personnel Commission shall set forth a proposed class specification setting out the title, duties as established by the Board of Education, qualifications, and other requirements of a class specification. The qualifications approved by the Commission must reasonably relate to the duties assigned to the position by the Board of Education.
- 3.2.5.4 The Commission shall recommend the proper salary placement on the appropriate classified salary schedule.
- 3.2.5.5 The Director- Personnel Commission shall notify the Board of the Commission's action.

REFERENCE: Education Code Sections 45109 and 45256

- 3.2.6 ALLOCATION OF POSITIONS TO EXISTING CLASSES: All positions which substantially consist of comparable duties, responsibilities, and qualifications shall be allocated to the same class.

REFERENCE: Education Code Section 45256

- 3.2.7 CHANGES IN DUTIES OF POSITIONS: Any substantial change in the duties of existing positions shall be promptly reported in writing to the Director-Personnel Commission, who shall conduct a review to determine whether the position should be allocated to a new or different class. Should a change in classification be warranted or necessary, the Director-Personnel Commission shall submit recommendations to the Personnel Commission for action.

REFERENCE: Education Code Sections 45256 and 45285

- 3.2.8 WORKING OUT OF CLASSIFICATION: Each classified employee should be required to perform the duties approved by the Board and classified by the Commission for the class to which the employee is assigned. Classified employees shall not be required to perform duties and responsibilities which are not fixed and prescribed for their positions unless reasonably related to the fixed duties for any period of time which exceeds five (5) working days within a fifteen (15) calendar day period, except as provided by this Rule. An employee may be assigned to work beyond the scope of the duties normally assigned to the employee's position or reasonably related thereto provided that the employee's salary is adjusted as follows:

- 3.2.8.1 When a regular employee in the classified service works in a higher classification for a period of time which exceeds five (5) working days within a fifteen (15) calendar day period, the salary of the employee shall be adjusted upward to the entire period of working out of classification.
- 3.2.8.2 If an employee is required to perform duties which are not allocated to an existing class, the assignment shall be reported

to the Director-Personnel Commission in writing so that a review may be conducted to determine the appropriate pay differential for the temporary assignment.

- 3.2.8.3 Request for differential pay for working out of class shall be submitted to the Director-Personnel Commission as soon as possible after the assignment has been made.
- 3.2.8.4 Working out of class assignments are designed for temporary situations and shall not be used to place an employee in a long-term or permanent assignment in a higher or different classification. No employee shall be assigned to work out of class for more than ninety (90) days in one fiscal year or for more than one assignment without the approval of the Personnel Commission. An example of the kind of exemption allowed by the Commission would be the temporary replacement of an employee on a long-term illness leave where the employee is assigned to work out of class for the duration of the absent employee's leave.
- 3.2.8.5 A claim for a pay differential for working out of class may be submitted by the employee or the supervisor. The Director-Personnel Commission will notify the supervisor upon receipt of a claim submitted by an employee.
- 3.2.8.6 A claim for pay differential for working out of class must contain a list of the assigned duties.
- 3.2.8.7 The Director-Personnel Commission shall review the duties assigned to the position and shall determine if the assigned duties are at a higher level and shall recommend an appropriate pay differential consistent with these Rules to the Commission.
- 3.2.8.8 If the Director's review determines that the assigned duties are not at a higher level, the Director shall notify the employee and the appropriate supervisor and present the findings to the Commission at the next regular meeting of the Commission.
- 3.2.8.9 These Rules shall not be construed as permitting an employee to refuse to perform duties legally assigned by authority.

REFERENCE: Education Code Section 45110

- 3.2.9 REVIEW OF POSITIONS: The Director-Personnel Commission shall review the duties and responsibilities of positions as necessary to determine their proper classification and shall cause all positions to be reviewed at least once every five years. If the Director finds that a position or positions should be reclassified, he/she shall advise the Administration of his/her findings. If the Administration verifies the duties of the position, or if the duties are not revised to fit within the current classification, the Director shall report his/her findings to the Personnel Commission for appropriate action. The Director-Personnel Commission shall also report the findings in cases where the review indicates that a change of classification is unwarranted.

REFERENCE: Education Code Sections 45256 and 45285

3.2.10 POSITIONS REQUIRING SPECIAL LANGUAGE OR SKILLS: The Board of Education may request that the Personnel Commission designate certain positions within a class or classes to require the holder of the position to possess a special skill, license, or language. The District must clearly set forth valid reasons for requesting such special requirements. The duties of the position must be the same as those for all other positions within the classification, except for this one special requirement. Examples of special skills could include a position in the instructional assistant classification, which has a need for the incumbent to read, speak, and write a foreign language; an administrative secretary class where one position requires the use of shorthand skills; and a gardener classification where one position requires a pesticide certificate.

3.2.10.1 An announcement calling for an examination for a class with position(s) containing special requirements will contain appropriate information and will indicate that successful candidates possessing the special skill will be given preference over other successful candidates, as authorized in Personnel Commission Rule 5.2.4, but only as to those specific positions.

3.2.10.3 When a vacancy occurs in a position which has approved special skill requirements, the position shall revert to the standard requirements unless the Board of Education states that the position should still possess the special requirements and the Personnel Commission concurs.

3.2.10.4 If a request to designate a position in a class as requiring a special skill is challenged, the Personnel Commission shall cause a proper investigation to be made, and shall consider the findings and all other pertinent data presented by any concerned and responsible source prior to taking final action on the request.

3.2.10.5 Layoffs in classifications with positions established pursuant to this rule shall be conducted pursuant to Chapter 11.

REFERENCE: Education Code Section 45277.

### 3.3 RECLASSIFICATION

3.3.1 RECLASSIFICATION POLICY: The Commission shall maintain a system whereby classification review will be continuous. The Commission will conduct studies as it deems necessary to review classifications and maintain internal alignment in the Classified Service.

3.3.1.1 Refer to Article XIV Classification and Reclassification for CBA language.

REFERENCE: Education Code Sections 45285, and 45285.5

3.3.2 EFFECTIVE DATE OF RECLASSIFICATION: Reclassification of a

position or positions shall become effective on the date prescribed by the Personnel Commission, but shall not have retroactive effect. Changes in classification and salary resulting from the permanent reclassification of a position(s) shall be effective on the date established by the Personnel Commission.

REFERENCE: Education Code Sections 45285 and 45285.5

- 3.3.3 NOTIFICATION OF RECLASSIFICATION: Notification of a recommendation for the classification or reclassification of a position or employee shall be given to the employee(s) affected, their exclusive representative, the employee's supervisor, and the District Administration before the classification proposal is adopted.

REFERENCE: Education Code Sections 45256, 45260, 45268, 45285, 45285.5

- 3.3.4 RECLASSIFICATION OF VACANT POSITION: If a reclassification occurs to a vacant position, the position shall be filled through normal selection procedures.

- 3.3.5 EFFECTS OF RECLASSIFICATION ON INCUMBENTS: Whenever a position or entire classes of positions are reclassified the rights of incumbents will be determined in accordance with these Rules and Regulations.

- 3.3.5.1 Reclassification Upward: When all of the positions in a class are reclassified to a higher class, the incumbents of the positions who have been in the class for two (2) or more years may be reclassified by the Commission to the higher class.

- 3.3.5.1.1 When one or more within a class, but not all of the positions within that class, are reclassified upward, the incumbent(s) in the position who has a continuous employment record of two (2) or more years in one or more of the positions being reclassified may be reclassified by the Personnel Commission with the position.

- 3.3.5.1.2 In order for an incumbent to be reclassified to the higher class, the basis for the reclassification of the position must be the gradual accretion of duties and not a sudden change occasioned by a reorganization or the assignment of completely new duties and responsibilities. Determination as to the gradual accretion of duties will be on the basis of the guidelines provided by the Rules and Regulations of the Personnel Commission.

- 3.3.5.1.3 An employee who has been reclassified shall be ineligible for subsequent reclassification for a period of at least two (2) years from the date of the reclassification.

3.3.5.1.4 Those incumbents not able to be reclassified with their positions shall have an opportunity to compete in the Personnel Commission's selection process for promotion into the higher class.

3.3.5.2 Reclassification Equal or Lower: When a position or group of positions is reclassified to a class with a lower wage or salary range, the incumbent(s) shall be "Y" rated until such time as the salary in the lower class catches up to the salary at the time of the reclassification.

REFERENCE: Education Code Section 45285

3.3.6 DEFINITION OF GRADUAL ACCRETION: For purposes of these guidelines, two (2) or more years of regular service shall be interpreted to mean assignment for at least two (2) complete years within the class or position. Determination as to gradual accretion will be based on an analysis of data to be supplied by the division or school, as well as the Personnel Commission staff, regarding the following guideline factors:

3.3.6.1 The nature and scope of each identified change in duties and responsibilities.

3.3.6.2 The exact or approximate date the incumbent began the performance of the newly acquired duties and responsibilities.

3.3.6.3 The conditions which led to the association of the added duties and responsibilities with the subject position(s).

3.3.6.4 Evidence of the employee's performance of the added duties and responsibilities.

REFERENCE: Education Code Section 45285

3.3.7 EFFECT OF REEMPLOYMENT AND ELIGIBILITY LISTS: The reclassification of all positions in a class automatically changes the mandatory reemployment list (if any) for that class. The Personnel Commission shall also review the appropriateness of the current eligibility list for the class to determine whether or not it should be changed. Salary reallocations of classes shall have no effect on lists unless a specific finding to the contrary is made by the Commission.

3.3.8 SENIORITY OF POSITIONS RECLASSIFIED

3.3.8.1 Any employee who is reclassified transfers their seniority into the new classification.

Electronic Applications may be signed at the exam.

4.1.1.1 Applicants taking more than one examination must file a separate and complete application for each examination unless otherwise directed.

4.1.1.2 For equal employment opportunity and federal/state reporting purposes, questions regarding ethnicity, sex, age, and disability shall be answered on a separate form. Questions regarding an applicant's ability to do the job may be asked.

4.1.1.3 The application form shall require that each applicant indicate whether or not he/she has been convicted of a crime. If an applicant states that he/she has been convicted of a crime, then such applicant shall be required to provide the Commission with detailed information pertaining to all convictions on a separate sheet of paper. An applicant may be disqualified based on a conviction as set forth in Rule 4.2.1.

4.1.1.4 Applications and examination papers are confidential and become the property of the Personnel Commission, and shall not be returned to the applicant.

#### 4.1.3 EDUCATION SUBSTITUTION AND ACCEPTANCE:

## 5.2.6 ORAL BOARD EXAMINATION:

If an examination requires the use of an Oral Board interview panel, the Director of Classified Personnel shall assure that the following rules are followed:

5.2.6.1 The oral board panel shall consist of two or more members. One member shall be appointed by the CSEA President. CSEA Representative is defined in the CSEA Collective Bargaining Agreement.

5.2.6.2 An employee of the District or of the Commission may serve on an oral board panel if that employee is not at the first or second level of supervision over a vacant position in the class for which the examination is being held.

5.2.6.3 Unless specifically directed to evaluate candidates' technical knowledge and skills, the oral board panel shall confine itself to evaluating general fitness for employment in the class.

5.2.6.4 When the oral board panel is directed to evaluate technical knowledge and skills, at least two members of the oral board panel shall be technically qualified in the specified occupational areas under examination.

5.2.6.5 Members of the Board of Trustees or Personnel Commission shall not serve on an oral board panel.

5.2.6.6 Oral board proceedings shall be electronically recorded and retained in the Commission Office.

5.2.6.7 Scores achieved by the candidate on other parts of the examination shall not be made available to the oral board panel.

5.2.6.8 In no case will an oral or performance examination board be provided with confidential references on employees of the District who are competing in examinations.

5.2.6.9 In oral board panel examinations, ratings accorded competitors

shall be expressed in percentages with 70% being the minimum qualifying rating. Ratings shall be made independently by each oral board member either before or after discussion with other oral board members. Ratings shall be made independently on forms prescribed by the Director of Personnel, which shall be signed by the oral board member and be delivered to the Director of Personnel or his/her representative. All final markings shall be made in pen. When a competitor is disqualified by a member of the oral board panel, the interviewer shall make a record of the reason(s) on the rating sheet.

5.2.6.10 The ratings of the members of the oral board shall be averaged to determine each candidate's final rating. An average score of 70% or higher is required to pass the oral board.

5.2.6.11 The Director of Classified Personnel may set a threshold of less than 70%. This announcement will be made at the time of job posting.

REFERENCE: Education Code Sections 45260, 45261, and 45273

5.2.7 ADMISSION TO EXAMINATION:

Each applicant whose application has been approved shall be notified a reasonable time in advance of the time, date, and place of the examination, and such notice shall be the applicant's authority to take the examination. Each candidate must provide personal identification (with picture I.D.) at time of examination admittance in order to take the test.

REFERENCE: Education Code Sections 45260, and 45261

5.2.8 EXAMINATION PROCEDURES:

Competitors in any written test must take the test on the prescribed date unless approved by the Director of Classified Personnel. The Director of Classified Personnel may only allow an applicant to take a test on a day other than that established for all applicants if the reason is required by law, e.g. religious observance or other extenuating circumstances. This flexibility will apply to written examination for in-house examinations.

5.2.8.1 Copies of the questions in a test shall not be made by competitors or other unauthorized persons.

5.2.8.2 Where written tests are required, they shall be so managed that none of the test papers will disclose the name of any competitor until all papers of all competitors in a given examination have been marked and rated. The only exception to this rule shall be if the Commission maintains a computerized and automated test scoring system (scantron) which will automatically and accurately score the exams of all competitors, and which has built-in safeguards to insure that an individual examination score cannot be falsely altered.

5.2.8.3 A competitor in any examination who places an identifying mark upon test papers other than the identifying mark prescribed at the time of examination, or makes an attempt to disclose to others the

identity of the competitor's papers prior to the completion of the examination may be disqualified.

REFERENCE: Education Code Section 45260, 45261, and 452732

5.2.9

RATING REQUIRED:

Candidates may be required to attain a designated minimum rating in each part or in combined parts of the selection process to qualify for participation in the next succeeding part.

REFERENCE: Education Code Section 45260, 45261, and 45273

5.2.10

### ELIGIBILITY FOR EMPLOYMENT

-----

#### 6.1 SECTION 6. ELIGIBILITY LISTS

##### 6.1.1 ESTABLISHMENT AND LIFE OF ELIGIBILITY LISTS:

After an examination, the names of successful competitors shall be arranged in the order of examination score plus additional points when applicable. The completed list constitutes an eligibility list for that class upon signature by the Director of Classified Personnel. All eligibility lists will be ratified by the Personnel Commission.

6.1.1.1 Unless specifically authorized in these Rules, all appointments to positions in the Classified Service shall be made from eligibles whose names appear on eligibility lists. The Director of Classified Personnel shall be responsible for establishing eligibility lists as a result of examinations authorized by these Rules.

REFERENCE: Education Code Sections 45260, 45261, and 45272

##### 6.1.2 CONTENTS OF ELIGIBILITY LIST:

An eligibility list shall contain:

- A. The names of all eligibles in final rank order of total examination scores.
- B. The weighted total score.
- C. The expiration date of each person's eligibility for merged lists.
- D. The signature of the Director of Classified Personnel or designee attesting to the accuracy of the information on the eligibility list.
- E. The date the list was ratified or approved by the Personnel Commission.

REFERENCE: Education Code Sections 45260, 45261, and 45272

##### 6.1.3 CERTIFICATION BY PERSONNEL COMMISSION:

All eligibility lists shall be certified by the Commission.

6.1.3.1 The Director of Classified Personnel may submit eligibility lists for ratification and approval by the Commission subsequent to certification from the list. Appointments may be made from available eligibles.

6.1.3.2 The rule of Three Ranks will apply for all certifications.

REFERENCE: Education Code Sections 45260, 45261, and 45272

TYPES OF ELIGIBILITY:

Appointments to position shall be made from:

6.1.4.1 Eligibility Lists: In order of precedence:

6.1.4.1.1 Reemployment: A list of employees who have been laid off from permanent positions because of lack of work, lack of funds, voluntarily demoted in lieu of layoff, lost their positions because of abolishment or reclassification of positions, exhaustion of illness or accident leave, or return from military duty under conditions set forth in these rules. These eligibles shall take precedence over all other persons eligible for appointment.

Order of Certification from Reemployment List

Held Previous Status

6.1.4.1.1.1 Before a position is filled from an active Eligibility List, the Personnel Commission will determine if that position can be filled by someone from the Reemployment List. The most senior individual on the Reemployment list shall be returned to any vacancy that occurs in the position from which they were laid off. Employees, who are on the Reemployment List because of layoff or because of having their work hours reduced, shall, based on seniority, return to a vacant position within their same job classification with increased hours, up to the number of hours previously worked. Increased hours can be more than the employee worked prior to the reduction, provided that an opportunity has been given to current active employees within that classification to first fill the position internally.

Tucker

If a vacancy occurs in any classification with different responsibilities other than the position from which the individual was laid off, the individual may apply for the position. Upon meeting the position qualifications and completing the testing processes as established by the Commission, the individual shall have an automatic preference over outside candidates. Placement in the top **three rankings** is not required in this instance. Placement on the Eligibility list is all that is required. If more than one person from the Re-employment list applies for a position under Tucker, the hiring authority will select from any of the Reemployment names certified by the Personnel Commission. (Approved 9/15/14 – Motion No. 9-2014/15, Document No. 5-2014/2015)

REFERENCE: Education Code Sections 45272, 45298

No Previous Status/ Same Salary and Range

6.1.4.1.1.2 If a vacancy occurs in any other position within the same job family (as listed in addendum “C” of the CBA attachment) and that position has the identical salary range as the position laid off from, that individual will be notified of the opportunity to be tested for the

open vacancy. In order of seniority, starting with the most senior, individuals will be notified and if that person desires placement and has never served in that position, they will be tested to determine if they are qualified for the position. Individuals who pass the examination will be placed in the open position within their class based on seniority. Previous employment within the position will not require testing.

No Previous Status/Lower Salary Range in Same Job Family

- 6.1.4.1.1.3 If a vacancy occurs in any position within the same job family (as listed in addendum "C" of the CBA attachment) and that position has a lower salary range as the position laid off from, that individual will be notified of the opportunity to be tested for the open vacancy. In order of seniority, starting with the most senior, individuals will be notified and if that person desires placement, they will be tested to determine if they are qualified for the position. Individuals who pass the examination will be placed in the open position within their class based on seniority. Previous employment within the position will not require testing.

Return to lower Classification in Class Series

- 6.1.4.1.1.4 Individuals, who held status in a higher level position and come back to a lower classification within their class (Ex. Administrative Assistant III to Administrative Assistant II, I, or Head Custodian IV to Head Custodian III/ II /I) will not be required to test for the lower classification.
- 6.1.4.1.1.5 If after exhausting all reemployment and reinstatement lists and after transfer requests have been considered, the position is still vacant; the position will be posted for all current MUSD employees. Former employees on a reemployment list who were not eligible for placement under reemployment rules will be mailed an announcement of all MUSD classified openings.
- 6.1.4.1.1.6 If there are not sufficient eligibles on the list an open recruitment will be conducted. (Sections 6.1.4.1.1- 6.1.4.1.1.6 added Motion #26-2012/13 - February 25, 2013)

REFERENCE: Education Code Sections 45260 and 45261

6.1.4.2 Other methods to fill positions:

- 6.1.4.2.1 TRANSFER - Refer to Collective Bargaining Agreement (CBA) Article XI
- 6.1.4.2.2 Internal and External: A list of eligibles resulting from an examination of all qualified applicants. Eligibility list candidates will be certified by rank (ties of final scores will be ranked together.)
- 6.1.4.2.3 Former Employees: To be eligible, a former regular permanent employee who resigned in good standing shall

make a written request to the District's Human Resources Office within 39 months from last day of employment to be considered for any classification in which they have achieved regular permanent status. Upon approval by the District, the request shall be forwarded to the Director of Classified Personnel. That person's name will appear on the certified requisition and will not count toward the number of ranks submitted to the hiring authority. A former employee may waive twice without penalty. The third waiver will constitute removal from the reemployment list.

REFERENCE: Education Code Section 45309

6.1.5 DURATION OF ELIGIBILITY LISTS:

An eligibility list shall be in effect for a period of six months or one year, unless otherwise determined by the Director of Classified Personnel, and may be extended for up to an additional year by the Commission. REFERENCE: Education Code Sections 45260, 45261, and 45300

6.1.6 MERGER OF ELIGIBILITY LISTS:

If a new examination for a class is given during the term of the life of an existing list, the examination shall be sufficiently similar to the previous examination to ensure the comparability of the scores of eligibles. The new list shall then be merged with the existing list with eligibles ranked in the order of examination score, plus additional points where applicable.

6.1.6.1 When lists are merged under this Rule, the earlier list shall be terminated one year after its establishment and those eligibles' names shall be removed from the consolidated list, except when the earlier list is extended.

6.1.6.2 A competitor who participates in an examination during their eligibility on an earlier eligibility list for the same classification shall utilize their new scores when the lists are merged. The higher score will always be used.

6.1.7.1 An employee who requires a leave of absence for military duty and those who are ordered, pursuant to the laws of the United States, to serve in any civilian war effort or war industry, shall have their names placed over all other names on the reemployment list in the class which they leave.

8.1.4.3 Differential pay for those employees required to work an early morning or late evening shift.

## 8.2 APPLICATION OF SALARY SCHEDULES

8.2.1 INITIAL SALARY PLACEMENT: All new regular classified employees shall be paid in accordance with the salary range established for the class to which assigned. The hiring rate will normally be the first step of the salary range. The impact of this policy would mean that an incumbent so "Y" rated would receive no general cost of living or normally entitled salary step increase until his/her old higher hourly rate was matched and/or exceeded by the new lower hourly rate.

- 8.2.4.1 Whenever the Personnel Commission gives authorization to "Y" rate an incumbent, the rate will be discontinued when the employee receiving the rate is promoted or separates from the service. #### 11.1 LAYOFF PROCEDURES

##### 11.1.1 REASONS FOR LAYOFF:

The layoff of classified employees shall only occur for a lack of work or a lack of funds, and only in accordance with the rules and regulations of the Personnel Commission and in accordance with Education Code Section 45298 and 45308.

Ratification of layoff list

Commission and HR staff will share joint responsibility in the preparation of layoff lists as well as identifying the affected employees displacement and reemployment rights. Layoff lists shall be certified at a regular or special meeting of the commission. The Superintendent or designee shall use the ratified list to affect layoff.

##### 11.1.1.1 DEFINITIONS OF TERMS

The definition of "class" for purposes of this agreement are to be a group of classifications relating to the same work in which the employee possesses skills.

The definition of "classification" for purposes of this agreement will be the specific job title of any position held by a unit member.

"Length of service" means seniority shall be calculated by "date of hire" by the District into a bargaining unit "classification" within the "class".

"Date of Hire" means the first date in paid status in a "classification". Substitute service is not counted.

"Reemployment list" means a list of names of persons arranged in order of their right to reemployment, who have been laid off from permanent positions by reason of lack of work, lack of funds, abolishment or reclassification of position, or who take a voluntary demotion or voluntary reduction in assigned time in lieu of layoff or other reasons specified in these rules and who are eligible for reemployment without examination in their former class.

REFERENCE: Education Code Sections 45298 and 45308

11.1.3 LAYOFF RESOLUTION BY BOARD:

- 11.1.3.1 Before any layoff notice can be issued, the Board shall adopt a resolution outlining the specific numbers and kinds of positions to be eliminated or reduced by classification and assigned time. The layoff resolution shall be signed by the Clerk of the Board, and a copy shall be attached to each layoff notice.

- 11.1.3.2 No regular employee shall be laid off from any position while employees serving under limited-term or provisional appointment are retained in positions of the same class unless the regular employee declines the limited-term or provisional assignment.

- 11.1.3.3 The District shall notify the affected classified employees in writing a minimum of forty-five (45) calendar days prior to the date of any layoff for lack of work or funds. The notice to the affected employee shall specify the reason for the layoff and be given by personal delivery or by certified mail to the last known home address of the employee on file in the Human Resources office. Failure of the employee to retrieve delivered mail, or respond to notifications by the U.S. Postal Service of attempted delivery shall not be grounds for voiding notification, or the staying of the timelines outlined in these rules. For purposes of this rule, if a notice is mailed, the second working day following the postmark date of the notice shall be considered to be the official date of receipt.

- 11.1.3.4 A notice of layoff shall contain the following items:

1. The reason for the layoff
2. The employee's displacement rights, if any
3. The employee's reemployment rights
4. The name and classification of the employee designated for layoff

#### 11.1.4

#### ORDER OF LAYOFFS:

- 11.1.4.1 In the event of layoff, the order of layoff within the class shall be determined by length of service. The employee who has been employed the shortest time in the class plus higher classes shall be laid off first. Regular classified employees who have been laid off shall have the right of reemployment. Reemployment shall be in the reverse order of layoff.
- 11.1.4.2 "Length of service" means seniority shall be calculated by "date of hire" by the District into a bargaining unit "classification". "Date of Hire" means the first date in paid status in a "classification". Substitute service is not counted
- 11.1.4.3 Time spent on leave without pay shall be counted when computing seniority for no more than (1) year and all time spent on approved leaves with pay or military leave, illness, maternity, family care, or industrial accident leave shall count toward seniority accrual. In the event an employee returns to work following any other unpaid leave or absence, no further seniority shall be accrued for the time not worked.
- 11.1.4.4 Time served prior to a break in service shall not be counted in computing seniority unless the employee is reinstated, reemployed in regular status, or appointed in regular status from an eligibility list within thirty-nine (39) months after layoff.
- 11.1.4.5 When reclassification results in the merger of two or more classes or the separation of a class into two or more classes, seniority of a continuing regular employee whose former class has been abolished shall be counted from the date determined by the Personnel Commission to be the date the incumbent started regularly and continuously to perform the duties identified as the basis for the reclassification. Such a determination shall be made at the time that the reclassification is approved.
- 11.1.4.6 When all or a portion of the positions in a class is reclassified to a class on the same salary range, the extent of seniority credit to be granted incumbents of affected positions shall be determined by the Personnel Commission. The Commission will base its decision on the amount of seniority credit to be granted on the following factors and others that are pertinent to the case:
- 11.1.4.6.1 The date of any change in the class description for the employee's former or new class.
- 11.1.4.6.2 The date of any pertinent change in the classification plan.
- 11.1.4.6.3 The date of any significant change in assigned duties or responsibilities as evidenced by requests for reclassification, and approval of the request for

reclassification.

11.1.4.6.4 Any date that will serve to establish the approximate date the employee first started performing the duties or responsibilities that provided the basis for reclassification of the position.

11.1.4.7 An employee transferred or reclassified from one class to a higher class shall not be credited in the new class with seniority accumulated in the class from which transferred, except as provided in 11.1.4.4.

11.1.4.8 When it is necessary to break a tie in seniority for the purpose of determining which employee is to be laid off or reassigned, the employee to be retained shall be the one who:

11.1.4.8.1

1. Has the greater total seniority with the District.
2. If a tie still remains the determination shall be made by lottery to be determined at the time by California School Employee Association #169 and Madera Unified School District.

REFERENCE: Education Code Section 45308

#### 11.1.5 BUMPING AND DISPLACEMENT RIGHTS:

An employee in the classified service who is laid off from a class, and who has previous service in an equal or lower class, shall have the right to bump a less senior employee in that equal or lower class. No regular employee shall be laid off from any position while employees serving under limited-term or provisional appointment are retained in positions of the same class unless the regular employee declines the limited-term or provisional assignment.

11.1.5.1 An employee whose position is eliminated or reduced shall first be placed in a vacant position with an equal assignment in the same class when compared with the employee's current position.

11.1.5.2 If the previous option is unavailable, the employee shall be placed in a vacant position that has additional assigned time in the same class when compared with the employee's current position.

11.1.5.3 If the previous option is unavailable, the employee will be allowed to bump into a position providing an equal or lower assignment in the same class when compared with the employee's current position, and which is occupied by a less senior employee.

11.1.5.4 If the previous option is unavailable, the employee shall also have the option of bumping into an equal or lower class previously held as a regular classified employee, that will provide at least the same or lower assigned time as the employee's current position.

- 11.1.5.5 When a permanent position is to be reduced in assignment time per day, week, month or year, the incumbent shall have the right to transfer to any vacant position in the class which is not greater in assigned time than his/her former position. If a vacant, permanent position of equal time is not available, the incumbent may bump the incumbent of a position with equal time who has the least seniority in the class; provided that he/she has greater seniority.
- 11.1.5.6 When bumping occurs, it shall be any vacant position within that "classification" or next lowest "classification" within the class. When no vacant position is available, bumping shall occur to the least senior position within the "classification". Reassignment (bumping) into a lower or equal "classification" or position not previously held will require proof of skills and competency for that "classification". For purposes of this section to allow bumping into a position in which status was not previously held, "classification" shall include all positions listed in Appendix "A" (see Chapter 3, p 35-37)

REFERENCE: Education Code Sections 45260, 45261, and 45308

11.1.6 VOLUNTARY DEMOTION:

Displacement into a lower class shall be considered a voluntary demotion and salary placement shall be in accordance with the Rules on Salary on Demotion. An employee, after having had the opportunity to exercise all rights guaranteed under this policy, who must be laid off and placed on a reemployment list will be selected first in reverse order of layoff for the first opening occurring in any class in which that employee had seniority for a period of up to thirty-nine (39) months. The following rules shall also apply.

- 11.1.6.1 If an employee is on any eligibility list and is laid off, that employee shall retain that position on such list until reemployed, selected, or expiration of the list.
- 11.1.6.2 Employees on reemployment lists shall be eligible to compete in promotional examinations for which they qualify.
- 11.1.6.3 Laid off employees do not accumulate seniority credit while on the reemployment lists.

REFERENCE: Education Code Sections 45260, 45261, and 45308

11.1.7 VOLUNTARY DEMOTION IN LIEU OF LAYOFF:

An employee who has accepted demotion in lieu of layoff has the right to be reemployed, in accordance with seniority rules, in a vacant position in the employee's former class within thirty-nine (39) months after demotion. Intervening reassignments to other classes shall not abrogate that right. If the employee has not been reemployed in that former class within (39) months, eligibility shall be retained for appointment to a vacant position in that class without examination for an additional twenty-four (24) months, provided that the same test of fitness under which the employee qualified for appointment to the

class shall still apply.

11.1.7.1 A permanent classified employee who will suffer a layoff for lack of work or lack of funds despite bumping rights, may be offered a transfer to a vacant position in an equal class or a voluntary demotion to a vacant position in a lower class, providing the employee is deemed qualified to perform the duties thereof as determined by the Director-Personnel Commission.

11.1.7.2 Any transfers which are being considered by exercising the options provided herein shall be made only after consideration of any permanent employees who have had an application for transfer on file.

11.1.7.3 A transfer from a position in one class to a position in another related class shall first be approved by the Director-Personnel Commission. Determination of whether classes are sufficiently related to permit transfer between them shall be based on the similarity of 1) duties; 2) minimum qualifications; and 3) examination content. Training, skills and experience as it relates to this position and school/district program.

The extent to which the two classes must be comparable may depend on additional factors

11.1.7.4 When additional hours are assigned to a regular employee the assignment shall be offered to the employee in the same class with the highest placement on the reemployment list providing the employee has more seniority than the employee given the additional hours.

REFERENCE: Education Code Sections 45260, 45261, and 45308

#### 11.1.8 PERIOD FOR LATERAL TRANSFER:

A permanent employee who transfers to a position in a class in which the employee has not previously completed a probationary period shall be considered probationary in that class for the standard probationary period outlined in these rules. At any time during this probationary period, the employee may be returned (transferred) to a former class without right of appeal. Any seniority earned by a probationary employee who is returned or transferred to a former class shall be credited to that former class.

REFERENCE: Education Code Sections 45260 and 45261

#### 11.1.9 PERMANENT EMPLOYEE RIGHTS AND PRIVILEGES:

11.1.9.1 The rights and privileges described above apply to a regular employee who has:

11.1.9.1.1 Been laid off.

11.1.9.1.2 Been bumped by a person with greater seniority to avoid layoff

- 11.1.9.1.3 Been displaced from a class because of reclassification of a position.

- 11.1.9.1.6 Returned from leave of absence and could not be assigned in the same class.
- 11.1.9.1.7 Failed to complete a probationary period in a class and could not be assigned in a class in which permanency had previously been achieved.
- 11.1.9.1.8 Accepted a reduction in assignment or time.
- 11.1.9.1.9 Accepted reduction in hours of employment because of the lack of bumping rights and placement opportunity.
- 11.1.9.1.10 Exhausted all paid and unpaid illness, industrial illness, or industrial accident leave and does not return to duty.

11.1.9.2 When any of the conditions described in Rule 11.1, above, exist, a reemployment list shall be established. A reemployment list may be established for a class, for positions on a specific assignment basis, for full time positions, or for a combination thereof. A reemployment list shall be used before any other means of filling a vacancy in the class or category for which the list was established. Reemployment rights exist for 39 months, except that an employee who takes a voluntary demotion or reduction in assigned time in lieu of layoff shall have an additional 24 months.

11.1.9.3 A laid off employee shall retain rank on any eligibility list on which his/her name appears.

11.1.9.4 A permanent employee who has been laid off from the District shall continue to be a promotional candidate in examinations during the 39-month reemployment period.

#### 11.1.10 CERTIFICATION FROM A REEMPLOYMENT LIST:

##### Reemployment Rights

Unit members laid off because of lack of work or lack of funds are eligible to reemployment for a period of thirty-nine (39) months and shall be employed in preference to new applicants.

Unit member(s) who take voluntary demotions or voluntary reductions in lieu of layoff or to remain in their present position(s) rather than there classified or reassigned, shall be granted the same rights as persons laid off and shall retain eligibility to be considered for reemployment for an additional period of twenty-four (24) months; provided that the same tests of fitness under which they qualified for appointment to the class still apply.

Unit member(s) who take voluntary demotions or voluntary reductions in assigned time, in lieu of layoff shall be, at the option of the unit member(s), returned to a position in their former class or to positions with increased assigned time in accordance with their proper seniority as ranked on a valid reemployment list.

Unit members on a re-employment list may be reemployed in a vacant position within Addendum "C" (lower classification) in the CSEA CBA . If they did not hold status in that position, the Personnel Commission shall determine if they meet the requirements of that position.

Unit members on a reemployment list who refuse (3) offers of employment of a position equal to their previous position, hours and salary range shall be removed from the reemployment list. If unit members accept a job offer less in hours or contracted days unit members will continue to be on the reemployment list and have an additional 24 months added to make a total of 63 months on the reemployment list.

11.1.10.1 Persons shall be certified from a reemployment list in the reverse order of layoff, provided that the person is willing and able to report for duty on the effective date of the appointment or within 14 days after the offer of reemployment has been made, whichever is later. In cases of limited term appointments, the former employee must be willing and able to report for duty on the effective date of the appointment, or the employee will be considered unavailable for the appointment.

11.1.10.2 A name may be removed from a reemployment list only for the following causes:

11.1.10.2.1 Conviction of a crime or crimes which would be sufficient to support dismissal of a permanent employee.

11.1.10.2.2 Conduct which would cause dismissal under the provisions of Section 45303 of the Education Code.

11.1.10.2.3 Making false statements or omitting a statement as to any material fact on an application form or health advisory form.

11.1.10.2.4 Dismissal for cause from employment subsequent to layoff.

11.1.10.2.5 Employee removed from list shall be accorded a statement of reasons and the right to a hearing before the Personnel Commission. Written notice of

removal and the reason therefore shall be provided to the employee, who shall be afforded and notified of appeal rights as those provided in Chapter 5.3.7.

11.1.10.2.6 A person whose name appears on a reemployment list may be given a medical examination prior to certification. Subject to the conditions described below, the employee may be considered unable to report for duty and may be passed over in the order of certification until the prescribed standards are met.

11.1.10.2.6.1 The standards applied in the medical examination shall be no more stringent than those that would be applied to a continuing employee to determine fitness for duty.

11.1.10.2.6.2 No person shall be withheld from reemployment because of a health or medical condition that existed prior to layoff or because of a normal progressive deterioration of such medical or physical condition. Such a person may be placed on illness leave or other appropriate leave after reemployment, if necessary. While on such leave, the employee shall receive seniority credit for the purpose of retention in case of future layoff. Failure to obtain a District-approved medical examination as directed at the time of layoff shall be sufficient reason to deny the benefits of this paragraph.

11.1.10.2.6.3 Written notice of no approval and the reason therefore shall be provided to the employee, who shall be afforded and notified of appeal rights identical to those provided in Chapter 5.3.6.

11.1.10.2.6.4 If a former employee cannot meet legal requirements to perform the prescribed duties of the class of reemployment, his/her name shall be withheld from certification until those requirements are met.

## 11.2 LEAVE OF ABSENCE PRIOR TO LAYOFF

- 11.2.1 When a layoff because of lack of funds or lack of work is about to occur, the division concerned shall, insofar as practicable, determine which classes will be affected. A list of such classes shall be furnished to both the Human Resources Division and the Personnel Commission.
- 11.2.2 Any regular employee who has received notice of impending layoff may be given a leave of absence, at the discretion of the division head, from or after the date of such notice until the effective date of layoff.
- 11.2.3 Recession of the notice of impending layoff shall cancel all leaves granted under this Chapter. Employees in executive/administrative and supervisory classes shall be allowed 28 days in which to return to employment; employees in other classes shall be allowed 14 days in which to return to employment.

REFERENCE: Education Code Sections 45260, 45261 and 45308

## 11.3 P.E.R.S. RETIREMENT IN LIEU OF LAYOFF:

Regular employees who have at least five (5) years service credit under the Public Employees' Retirement System and are fifty (50) years of age or older, may elect to accept a service retirement in lieu of layoff, voluntary demotion, or reduction in assigned time. Such employees shall complete and submit a form to the Public Employees' Retirement System. The employee shall then be placed on a thirty-nine (39) month reemployment list in accordance with the Rules within this Chapter. If the District makes an offer of reemployment, the retired person shall be allowed sufficient time to request reinstatement with the Public Employees' Retirement System.

If the unit member is subsequently subject to reemployment, and accepts in writing, within three (3) calendar days, the appropriate vacant position, the District/Personnel Commission shall maintain the vacancy until the Board of Administration of the Public Employees' Retirement System has properly processed his/her request for reinstatement from retirement

### 11.3.1 Notification of Reemployment Openings

Any employee who is laid off and is subsequently eligible for reemployment shall be notified in writing by the Personnel Commission Office of an opening; such notice shall be sent by certified mail to the last address given the District by the employee, and a copy shall be sent to the Madera Unified School's Chapter #169 of the California School Employees Association by the District, which shall acquit the District of its notification responsibility.
