Student Announcers

Have you noticed that every Friday there is a student making the morning announcements? Student announcing is a privilege given to sixth graders. According to Mrs. Riche', sixth graders are chosen because they are our school leaders. They set the example for all of the other grade levels. She went on to say that student announcers are chosen for their outstanding behavior and effort at school. After a student is selected, Mr. Gregor works with the announcer throughout the week in order to prepare them for Friday's announcements.

We spoke to several student announcers in order to get an idea of what the experience was all about. Ashlynn Rodriguez explained, "it was not difficult because you are not in front of everyone when you speak."

Lynnlee Cam confessed, "I was really scared and nervous but it was fun!"

Finally, Emily Valencia enjoyed the experience, "it's amazing because you get to learn how to do the morning announcements." We can't wait to hear from more student announcers. Who knows, one day it may be you!

Volleyball and Wrestling

Hey All-Stars we come to you with some more news about sports. The volleyball and wrestling season has come to a close.

Wrestling

Our wrestling team ended up with about 151 points. In fact they did so well that they placed first. We asked many wrestlers who they felt were the most outstanding wrestlers. Many wrestlers chose Jeremiah Sanchez and Victor Jimenez.

Girls Volleyball

First of all the All-Star girls scored 65 points throughout the volleyball season. Sadly, during the season the girls lost to Lincoln and Brenda. But more importantly, they creamed Washington and Madison! Our John Adams girls placed 4th in the tournament. Now for the moment of truth we asked Mr. Quaschnick who the team's top player was and he responded ... Ericka Perez! Way to go girls!

Boys Volleyball

Last but not least the boys volleyball team played hard this season. These powerful boys scored 51 points throughout the volleyball season. We asked boys coach, Mr. H, to tell us what his favorite part of the season was. "The great attitude and the amazing teamwork," he replied. Mr. H went on to say that three boys were key players this season: Ayden Orlando for his awesome serves, Aiden Clancy for amazing passes, and Tyrese Bradford for great team spirit. Get ready runners, the next sport coming up is CROSS COUNTRY!
