Mission Statement

Furman High School follows the District's Vision Statement - Madera Unified School District will be widely recognized throughout California as a leader in education, where the futures of children are driven by their aspirations, not bound by their circumstances.

Principal's Message

We are an innovative and progressive Independent Study High School. Our API score ranks as one of the highest for an Independent Study High School in Central California. An accomplishment our staff, students and parents are proud of.

We serve a highly transitional student population. Our students come from throughout the Madera Unified School District. Many of our students find our school's flexible schedule complements their independent spirits. They also know the close working relationship they have with their Master Teachers brings more accountability and responsibility for their own learning.

The Furman High School staff takes pride in providing our students and community with a rigorous academic and fulfilling high school experience. Our Student Leadership Council takes an active role in helping establish a positive school climate. We truly believe that students should take an active role in their education. We hope that you will take some time to visit our school and experience first hand "a place where Falcons soar".

School Profile

Furman (Duane E.) High is one of 2 alternative ed high schools in Madera Unified School District.

During 2012-13, 166 9th-12th grade students were enrolled at the school, with classes arranged on a traditional schedule/year-round calendar. The strength of Furman High School's Independent Studies delivery method is the individualized

learning plan that every student has in place. Our teachers have the skill set to really get to know our students and to design the learning interventions with their particular needs in place. We work very hard to not only complete the courses and requirements that are missing but also to do it in a way that is meaningful to the student. Our unique instructional design allows us to make powerful connections with our students that will lead them to much success in their lives. Our school is made up of talented and caring teachers who are dedicated to seeing all students succeed as students and

productive members of our community. I encourage all parents and guardians to take an active role in their student's education by participating in our School Site Council (SSC), volunteering to tutor, and ending our Back to School night, or by staying in contact with their student's teacher. All these things will help your child know you care and really want them to be successful.

Our priorities for student achievement are in the areas of math and English language arts. We provide direct instruction in Algebra I, Geometry, Algebra II, Physical Science, Biology, Software Applications, and Computer Graphics. These labs are typically 1.5 hours, two times a week.

We have two paraprofessionals working with our EL students.

Enrollment by Student Group

2012-13

	Percentage
African American	5.6%
American Indian	1.2%
Asian	-
Filipino	-
Hispanic or Latino	80.2%
Pacific Islander	-
White	13.0%
Two or More	-
None Reported	-
English Learners	29.0%
Socioeconomically Disadvantaged	80.9%
Students with Disabilities	1.9%

The major challenges facing Furman are getting our students to complete Algebra I and getting more of our students to complete at least 90 days in our program. We are also working hard to bring more parents onto our campus for the special events listed above.

Discipline & Climate for Learning

Students at Furman (Duane E.) High are guided by specific rules and classroom expectations that promote respect, cooperation, courtesy and acceptance of others. The goal of Furman (Duane E.) High discipline program is to have fewer suspension than our previous school year. Parents and students are informed of school rules and discipline policies through the Parent/Student handbook which is sent home at the beginning of the school year.

The suspensions and expulsions table illustrates total cases for the last three years, as well as a percentage of enrollment. Suspensions are expressed in terms of total infractions, not number of students suspended, as some students may have been suspended on multiple occasions. Expulsions occur only when required by law or when all other alternatives are exhausted.

Suspensions & Expulsions						
	School			District		
	10-11	11-12	12-13	10-11	11-12	12-13
Suspensions	1	5	6	2622	1906	2125
Suspension Rate	0.6%	2.6%	3.7%	13.4%	9.6%	10.6%
Expulsions	0	0	2	74	135	96
Expulsion Rate	0.0%	0.0%	1.2%	0.4%	0.7%	0.5%

Students are encouraged to participate in the school's additional academic and extracurricular activities, which are an integral part of the educational program. These schoolwide and classroom incentives promote positive attitudes, encourage achievement, and aid in the prevention of behavioral problems. Extracurricular activities, clubs, and programs includes our Student Leadership Council, "Caught being Good" Program and Student Mentor-ship Program.

Furman High School recognizes and celebrates the achievements and successes of students and staff on a regular basis. Students are recognized for their achievements by their classroom teacher with "Caught Being Good Passes".

Class Size

The chart shows the average class size by grade level, as well as the number of classes offered in reference to their enrollment.

Class Size Distribution												
	Average Class Size			Classrooms Containing:								
				1-20 Students			21-32 Students			33+ Students		
	11	12	13	11	12	13	11	12	13	11	12	13
By Grade Level												
3	1	-	-	1	-	-	-	-	-	-	-	-
5	1	-	-	1	-	-	-	-	-	-	-	-
6	1	-	-	1	-	-	-	-	-	-	-	-
By Subject Area												
English	8	74	-	24	4	-	1	-	-	-	6	-
Math	15	39	-	9	2	-	2	-	-	1	2	-
Science	12	161	-	10	-	-	1	-	-	1	1	-
Social Science	7	30	-	32	-	-	2	1	-	-	-	-

Furman (Duane E.) High (Independent Study Program) believes that effective instruction consists of the continuous building of new concepts upon existing ones and requires regular attendance and participation. In hopes of preventing and reducing dropouts, the following programs are made available to students: Student Leadership Council, "At-Risk" and Academic counseling and the Ready, Set, Go Program.

Note: The National Center for Education Statistics graduation rate as reported in AYP is provided in the table.

Enrollment By Grade

This chart illustrates the enrollment trend by grade level for the past three school years.

Enrollment Trend by Grade Level			
	2010-11	2011-12	2012-13
9th	2	6	6
10th	10	27	23
11th	52	61	54
12th	105	97	79

Counseling & Support Staff (School Year 2012-13)

In addition to academics, the staff strives to assist students in their social and personal development. Staff members are trained to recognize at-risk behavior in all students. The school values the importance of on-site counseling and has procedures in place to insure that students receive the services they need. Staff members are devoted to helping students deal with problems and assisting them to reach positive goals. *The counselor-to-pupil ratio is 1:170.* The chart displays a list of support services that are offered to students.

Counseling & Support Services Staff		
	Number of Staff	Full Time Equivalent
Assistant Principal	1	As Needed
Classroom Tutors	1	.4
Counselor	1	1.00
Psychologist	1	As Needed
Registrar	1	.5
Title I Aides	2	.4

Parent Involvement

Furman (Duane E.) High (Independent Study Program) greatly benefits from its supportive parents who are involved with their student. Parents are welcome to join our School Site Council (SSC). In October, Furman High School hosts their Back to School Nite. The school also benefits from several community partnerships, including Madera Evening Lions, who provide for our Senior Night Dinner.

Teacher Assignment

Madera Unified School District recruits and employs only the most qualified credentialed teachers.

Teacher Credential Status				
	School			District
	10-11	11-12	12-13	12-13
Fully Credentialed	10	10	10	737
Without Full Credentials	0	0	0	0
Working Outside Subject	0	0	0	12

Teacher misassignments reflect the number of placements within a school for which the certificated employee in the teaching or services position (including positions that involve teaching English Learners) does not hold a legally recognized certificate or credential. Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

Teacher vacancies reflect the number of positions to which a single designated certificated employee has not been assigned at the beginning of the year for an entire year.

Misassignments/Vacancies			
	11-12	12-13	13-14
Misassignments of Teachers of English Learners	0	0	0
Misassignments of Teachers (other)	0	0	0
Total Misassignments of Teachers	0	0	0
Vacant Teacher Positions	0	0	0

Highly Qualified Teachers (School Year 2012-13)

The Federal No Child Left Behind Act requires that all teachers in core subject areas meet certain requirements in order to be considered as "Highly Qualified" no later than the end of the 2006-07 school year. Minimum qualifications include: Possession of a Bachelor's Degree, Possession of an appropriate California teaching credential, Demonstrated competence in core academic subjects. For more information, see the CDE Improving Teacher and Principal Quality Web page at: <http://www.cde.ca.gov/nclb/sr/tq/>.

Note: High-poverty schools have student eligibility of approximately 40 percent or more in the free and reduced price meals program. Low-poverty schools have student eligibility of approximately 25 percent or less.

NCLB Compliant Teachers		
	% of Core Academic Courses Taught By NCLB Compliant Teachers	% of Core Academic Courses Taught By Non-NCLB Compliant Teachers
School	97.0%	3.0%
District	97.0%	3.0%
High-Poverty Schools in District	97.0%	3.0%
Low-Poverty Schools in District	N/A	N/A

Dropout & Graduation Rates

Furman High believes that effective instruction consists of the continuous building of new concepts upon existing ones and requires regular attendance and participation. In hopes of preventing and reducing dropouts, the following programs are made available to students: Credit Recovery, CAHSEE Intervention, an Intervention Specialist Counselor and an Attendance Recognition Program. Note: The National Center for Education Statistics graduation rate as reported in AYP is provided in the table.

Graduation & Dropout Rates			
	09-10	10-11	11-12
Dropout Rate	14.5%	11.9%	10.1%
Graduation Rate	78.7%	81.8%	86.6%

Staff Development

Staff members build teaching skills and concepts by participating in many conferences and workshops throughout the year, then sharing their experiences and knowledge with district colleagues. The district dedicated 8 days to staff development annually for the past three years. Topics for staff development during the 2013-14 school year included: Common Core State Standards, Explicit Direct Instruction and effective researched based strategies and programs to assist "At-risk" students.

UC/CSU Course Completion

Students at Furman (Duane E.) High (Independent Study Program) are encouraged to take University of California/California State University (UC/CSU) preparatory courses if they plan to attend a four-year university. All students must pass each course with a grade no lower than a 'C'. At Furman, students can take a UC/CSU preparatory math classes and other UC/CSU Preparatory classes maybe taken at their home school.

UC/CSU Course Enrollment	
	Percentage
Student Enrolled in Courses Required for UC/CSU Admission (2012-13)	70.6%
Graduates Who Completed All Courses Required for UC/CSU Admission (2011-12)	-

** Duplicated Count (one student can be enrolled in several courses).*

Contact Information

Parents or community members who wish to participate in leadership teams, school committees, school activities, or become a volunteer may contact the school office at 559-675-4482.

Data Sources

Data within the SARC was provided by Madera Unified School District, retrieved from the 2012-13 SARC template, located on Dataquest (<http://data1.cde.ca.gov/dataquest>), and/or Ed-Data website. Dataquest is a search engine, maintained by the California Department of Education (CDE), which allows the public to search for facts and figures pertaining to schools and districts throughout the state. Among the data available, parents and community may find information about school performance, test scores, student demographics, staffing, and student misconduct/intervention. Ed-Data is a partnership of the CDE, EdSource, and the Fiscal Crisis and Management Assistance Team (FCMAT) that provides extensive financial, demographic, and performance information about California's public kindergarten through grade twelve school districts and schools.

Standardized Testing and Reporting (STAR) Program

The Standardized Testing and Reporting (STAR) Program consists of several key components, including the California Standards Test (CST), California Modified Assessment (CMA) and California Alternate Performance Assessment (CAPA). CST description and scores are reported in detail within the SARC.

The CMA is an alternate assessment based on modified achievement standards in English/language arts (ELA) for grades three through eleven; mathematics for grades three through seven, Algebra I and Geometry; and science in grades five and eight, Life Science in grade ten. This test is designed to assess students whose disabilities preclude them from achieving grade level proficiency of the California content standards with or without accommodations.

CAPA is given to those students with significant cognitive disabilities whose disabilities prevent them from taking either the CSTs with accommodations or modifications or the CMA with accommodations. Assessment covers ELA and mathematics in grades two through eleven, and science for grades five, eight, and ten.

California Standards Test

The California Standards Test (CST), a component of the STAR Program, is administered to all students in the spring to assess student performance in relation to the State Content Standards. Student scores are reported as performance levels: Advanced (exceeds state standards), Proficient (meets standards), Basic (approaching standards), Below Basic (below standards), and Far Below Basic (well below standards).

The first table displays the percent of students achieving at the Proficient or Advanced level (meeting or exceeding the state standards) in English/ language arts, mathematics, social science, and science, for the most recent three-year period. The second table displays the percent of students, by group, achieving at the Proficient or Advanced level (meeting or exceeding the state standards) for the most recent testing period.

For detailed information regarding the STAR Program results for each grade and performance level, including the percent of students not tested, see the CDE STAR Results Web site at <http://star.cde.ca.gov>.

California Standards Test (CST)									
Subject	School			District			State		
	2011	2012	2013	2011	2012	2013	2011	2012	2013
English/Language Arts	18	20	17	41	42	40	54	56	55
Mathematics	7	6	2	40	39	39	49	50	50
Science	21	21	23	44	42	46	57	60	59
History/Social Science	15	22	13	39	42	42	48	49	49

*Scores are not disclosed when fewer than 10 students are tested in a grade level and/or subgroup.

California Standards Test (CST)				
Subgroups				
Subject	English/ Language Arts	Mathematics	Science	History/ Social Science
District	40	39	46	42

Migrant Education	*	*	*	*
Two or More Races	*	*	*	*

*Scores are not disclosed when fewer than 10 students are tested in a grade level and/or subgroup.

Physical Fitness (School Year 2012-13)

In the spring of each year, the district is required by the state to administer a physical fitness test to all fifth, seventh and ninth grade students. The physical fitness test measures each student's ability to perform fitness tasks in six major areas: Aerobic Capacity, Body Composition, Abdominal Strength, Trunk Extension Strength, Upper Body Strength, and Flexibility. Students who either meet or exceed the standards in all six fitness areas are considered to be physically fit or in the "healthy fitness zone" (HFZ).

Percentage of Students in Healthy Fitness Zone			
2012-13			
Grade Level	Four of Six Standards	Five of Six Standards	Six of Six Standards
9	-	-	-

*Scores are not disclosed when fewer than 10 students are tested in a grade level and/or subgroup.

Federal Intervention Program (School Year 2013-14)

Schools and districts receiving Federal Title I funding enter Program Improvement (PI) if they do not make AYP for two consecutive years in the same content area (English/language arts or mathematics) or on the same indicator (API or graduation rate). After entering PI, schools and districts advance to the next level of intervention with each additional year that they do not make AYP. For detailed information about PI identification, see the CDE PI Status Determinations Web page: <http://www.cde.ca.gov/ta/ac/ay/tidetermine.asp>.

Federal Intervention Programs		
	School	District
Program Improvement (PI) Status	In PI	In PI
First Year in PI	2013-2014	2004-2005
Year in PI (2013-14)	Year 1	Year 3
# of Schools Currently in PI	-	24
% of Schools Identified for PI	-	96.0%

Academic Performance Index

The Academic Performance Index (API) is a score on a scale of 200 to 1,000 that annually measures the academic performance and progress of individual schools in California. The state has set 800 as the API score that schools should strive to achieve.

Statewide Rank: Schools receiving an API Base score are ranked in ten categories from 1 (lowest) to 10 (highest), according to type of school (elementary, middle, or high school).

Similar Schools Rank: Schools also receive a ranking that compares that school to 100 other schools with similar demographic characteristics. Each set of 100 schools is ranked by API score from 1 (lowest) to 10 (highest) to indicate how well the school performed compared to similar schools.

The first table displays the school's statewide and similar schools' API ranks and API point changes by student group. The second table displays, by student group, the Growth API at the school, district, and state level.

API School Results			
	2010	2011	2012
Statewide	B	B	B
Similar Schools	B	B	B
Group	10-11	11-12	12-13
All Students at the School			
Actual API Change	-27	69	-32
Socioeconomically Disadvantaged			
Actual API Change	-	-	-25

2013 Growth API Comparison						
	School		District		State	
	Number of Students	Growth Score	Number of Students	Growth Score	Number of Students	Growth Score
All Students at the School	63	658	13,947	736	4,655,989	790
Hispanic or Latino	50	650	12,090	727	2,438,951	744
Socioeconomically Disadvantaged	52	645	12,334	724	2,774,640	743
English Learners	16	633	7,109	691	1,482,316	721

Adequate Yearly Progress (AYP) (School Year 2012-13)

No Child Left Behind (NCLB) is a federal law enacted in January 2002 that reauthorized the Elementary and Secondary Education Act (ESEA). It mandates that all students (including students who are economically disadvantaged, are from racial or ethnic minority groups, have disabilities, or have limited English proficiency) in all grades meet the state academic achievement standards for mathematics and English/language arts (ELA) by 2014. Schools must demonstrate "Adequate Yearly Progress" (AYP) toward achieving that goal. The Federal NCLB Act requires that all schools and districts meet the following Adequate Yearly Progress (AYP) requirements:

- Participation rate on the state's standards-based assessments in ELA and mathematics.
- Percent proficient on the state's standards-based assessments in ELA and mathematics.
- API as an additional indicator.
- Graduation rate (for secondary schools).

There are several consequences for schools that do not meet the AYP standards, including additional tutoring and replacing of staff. Students would also be allowed to transfer to schools (within their district) that have met their AYP, and the former school would be required to provide the transportation to the new site. Results of school and district performance are displayed in the table.

Adequate Yearly Progress (AYP)				
Made AYP Overall	School		District	
	No		No	
Met AYP Criteria	English - Language Arts	Mathematics	English - Language Arts	Mathematics
Participation Rate	Yes	Yes	Yes	Yes
Percent Proficient	No	No	No	No
API School Results	No		No	
Graduation Rate	Yes		Yes	

Admission Requirements for California's Public Universities

University of California

Admission requirements for the University of California (UC) follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college course work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work.

For general admissions requirements, please visit the UC Admissions Information Web page at <http://www.universityofcalifornia.edu/admissions/>.

California State University

Eligibility for admission to the California State University (CSU) is determined by three factors:

- Specific high school courses
- Grades in specified courses and test scores
- Graduation from high school

Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses have local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For admission, application, and fee information see the CSU Web page at <http://www.calstate.edu/admission/admission.shtml>.

California High School Exit Exam (CAHSEE)

The California High School Exit Exam is primarily used as a graduation requirement in California, but the results of this exam are also used to determine Adequate Yearly Progress (AYP) for high schools, as required by the Federal No Child Left Behind (NCLB) law. The CAHSEE has an English language/arts section and a math section and, for purposes of calculating AYP, three performance levels were set: Advanced, Proficient, and Not Proficient. The score a student must achieve to be considered Proficient is different than the passing score for the graduation requirement. The first table displays the percent of students achieving at the Proficient or Advanced level for the past three years. The second table displays the percent of students, by group, achieving at each performance level in English language/arts and math separately for the most recent testing period.

CAHSEE By Subject for All Grade Ten Students									
	2010-11			2011-12			2012-13		
	School	District	State	School	District	State	School	District	State
English	31	52	59	25	44	56	25	48	57
Mathematics	27	45	56	24	46	58	16	46	60

CAHSEE By Student Group for All Grade Ten Students						
	English			Mathematics		
	Not Proficient	Proficient	Advanced	Not Proficient	Proficient	Advanced
All Students	52	24	24	54	35	11
District

School						
Male	80	20	0	75	25	0
Female	71	14	14	75	25	0
Hispanic or Latino	73	20	7	81	19	0
Socioeconomically Disadvantaged	77	17	7	84	16	0

Instructional Materials (School Year 2013-14)

Madera Unified held a public hearing on September 24, 2013, and determined that each school within the district had sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of *Williams vs. the State of California*. All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. Textbooks and supplementary materials are adopted according to a cycle developed by the California Department of Education, making the textbooks used in the school the most current available. Materials approved for use by the state are reviewed by all teachers and a recommendation is made to the School Board by a selection committee composed of teachers and administrators. All recommended materials are available for parent examination at the district office prior to adoption. The table displays information collected in August, 2013 about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school.

Additional Internet Access/Public Libraries

For additional research materials and Internet availability, students are encouraged to visit the public libraries located in the City of Madera, which contain numerous computer workstations.

Science Lab Equipment

The school stocks an adequate supply of equipment for its students. Inventory includes, but is not limited to: microscopes, slides, ring stands, clamps, support rings, utility clamps, test tubes, test tube holders and brushes, tongs, flasks, beakers, and Bunsen burners. For more information, please call the school office.

District-Adopted Textbooks						
Grade Levels	Subject	Publisher	Adoption Year	Sufficient	% Lacking

Completion of High School Graduation Requirements - Class of 2012

Beginning with the graduating class of 2006, students in California public schools must pass both the English-language arts and mathematics portions of the California High School Exit Examination (CAHSEE) to receive a high school diploma. For students who began the 2011-12 school year in the 12th grade, the table displays by student group the number who met all state and local graduation requirements for grade 12 completion, including having passed both portions of the CAHSEE or received a local waiver or state exemption. Detailed information about the CAHSEE can be found at the CDE Web site at <http://www.cde.ca.gov/ta/tg/hs/>. Note: "*" means that the student group is not numerically significant.

Completion of High School Graduation Requirements			
	School	District	State
All Students	42	1,044	418,598
African American/Black	2	29	28,078
American Indian	-	4	3,123
Asian	-	14	41,700
Filipino	-	4	12,745
Hispanic or Latino	31	843	193,516
Pacific Islander	-	2	2,585
White	9	145	127,801
English Learners	15	424	93,297
Socioeconomically Disadvantaged	1	101	31,683
Students with Disabilities	30	821	217,915

Safe School Plan

Safety of students and staff is a primary concern of Furman (Duane E.) High School(Independent Study Program). The school is always in compliance with all laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. The School Site Safety plan was last reviewed and updated on 10/2012 by the School Safety Committee. All revisions were communicated to the both the classified and certificated staff. The school's disaster preparedness plan includes steps for ensuring student and staff safety during a disaster. Fire and disaster drills are conducted on a regular basis throughout the school year. Lockdown drills are held twice a year. Students are supervised before and after school by certificated staff and administration, and the administration supervises students during lunch. Administration and the counselor assist with supervision during lunch and break periods. There is a designated area for student drop off and pick up. Visitors must report to the office before entering any classroom.

School Facilities

Furman (Duane E.) High was originally constructed in 1998 and is comprised of 20 classrooms, 1 administration building, 0 gyms, 0 multipurpose room/cafe/teria, 0 library, 1 staff lounge, 1 computer lab, and 0 playgrounds. Recent remodeling included enclosing the math classroom.

Cleaning Process

The principal works daily with the custodial staff of 1 (1 full-time and 0 part-time) to ensure that the cleaning of the school is maintained to provide for a clean and safe school. The district governing board has adopted cleaning standards for all schools in the district. A summary of these standards are available at the district office for review.

Maintenance and Repair

District maintenance staff ensures that the repairs necessary to keep the school in good repair and work orders are completed in a timely manner. A work order process is used to ensure efficient service and highest priority is given to emergency repairs. While reviewing this report, please note that even minor discrepancies are reported in the inspection process. The items noted in the table have been corrected or are in the process of remediation.

Deferred Maintenance Budget

The district participates in the State School Deferred Maintenance Program, which provides matching funds on a dollar-for-dollar basis, to assist school districts with expenditures for major repair or replacement of existing school building components. Typically this includes roofing, plumbing, heating, electrical systems, interior or exterior painting, and floor systems. For the 2013-14 school year the district allocated \$66,231.00 for deferred maintenance program. This represents .43% of the district's general fund budget. During the 2013-14 school year, the district's governing board did approve deferred maintenance projects for the school, which included new carpet at Madison Elementary, Fencing project & asphalt at Dixieland, HVAC control for EMS at MLK, fencing at Sierra Vista Elementary, and reroof at Washington Elementary.

School Facility Conditions				
Date of Last Inspection: 08/06/2013				
Overall Summary of School Facility Conditions: Exemplary				
Items Inspected	Facility Component System Status			Deficiency & Remedial Actions Taken or Planned
	Good	Fair	Poor	
Systems (Gas Leaks, Mech/HVAC, Sewer)	X			
Interior	X			
Cleanliness (Overall Cleanliness, Pest/Vermin Infestation)	X			
Electrical	X			
Restrooms/Fountains	X			
Safety (Fire Safety, Hazardous Materials)	X			
Structural (Structural Damage, Roofs)	X			
External (Grounds, Windows, Doors, Gates, Fences)	X			

Teacher & Administrative Salaries (Fiscal Year 2012-13)

The table displays district salaries for teachers, principals, and superintendents, and compares these figures to the state averages for districts of the same type and size. The table also displays teacher and administrative salaries as a percent of the district's budget, and compares these figures to the state averages for districts of the same type and size. Detailed information regarding salaries may be found at the CDE website, www.cde.ca.gov.

Average Salary Information		
Teachers - Principal - Superintendent		
2011-12		
	District	State
Beginning Teachers	\$37,159	\$40,933
Mid-Range Teachers	\$58,115	\$65,087
Highest Teachers	\$71,557	\$84,436
Elementary School Principals	\$97,705	\$106,715
Middle School Principals	\$100,146	\$111,205
High School Principals	\$108,042	\$120,506
Superintendent	\$165,000	\$207,812
Salaries as a Percentage of Total Budget		
Teacher Salaries	0.4%	0.4%
Administrative Salaries	0.1%	0.1%

School Site Teacher Salaries (Fiscal Year 2011-12)

The table illustrates the average teacher salary at the school and compares it to the average teacher salary at the district and state (based on 2012-13 financial statements).

Average Teacher Salaries	
School & District	
School	\$64,545.64
District	\$59,591
Percentage of Variation	8.3%
School & State	
All Unified School Districts	\$68,841
Percentage of Variation	-6.2%

District Revenue Sources (Fiscal Year 2012-13)

In addition to general state funding, Madera Unified School District received state and federal funding for the following categorical funds and other support programs:

- Title I, II, III
- EIA/SCE
- EIA/LEP

District Expenditures (Fiscal Year 2012-13)

The expenditures per pupil data is based on 2012-13 fiscal year audited financial statements. The table reflects the direct cost of educational services, per average daily attendance, excluding food services, facilities acquisition and construction, and certain other expenditures. This calculation is required by law annually and is compared with other districts state-wide.

Supplemental/Restricted expenditures come from money whose use is controlled by law or donor. Money designated for specific purposes by the district or governing board is not considered restricted. Basic/Unrestricted expenditures, except for general guidelines, are not controlled by law or donor.

For detailed information on school expenditures for all districts in California, see the CDE Current Expense of Education & Per-pupil Spending Web page at <http://www.cde.ca.gov/ds/fd/ec/>. For information on teacher salaries for all districts in California, see the CDE Certificated Salaries & Benefits Web page at <http://www.cde.ca.gov/ds/fd/cs/>. To look up expenditures and salaries for a specific school district, see the Ed-Data Web site at: <http://www.ed-data.org>.

Expenditures per Pupil	
School	
Total Expenditures Per Pupil	\$7,400
From Supplemental/Restricted Sources	\$664
From Basic/Unrestricted Sources	\$6,736
