What looks **IMPOSSIBLE TODAY** WILL ONE DAY BE YOUR **warmup**

Thank You for Supporting the Arts

*To all of the administrators, teachers, support staff, parents and community partners, **thank you for BELIEVING in the Arts.** Your support throughout the year allowed students to flourish.*

This year's Winter Showcase solidified that we are **stronger together**. The community support that our 500+ student's received at Warnors Theatre was evident. Blue and Purple Pyramid Concerts remind us of the great work being done from the ground up. Madera High Thespians and Madera South Theatre Company left it all on the stage. The quality of MUSD performers, and the sets that come with our productions are unparalleled. Districtwide Winter Concerts showed us where we were, while Spring concerts manifested what MUSD students are capable of. Madera South Guitars being selected to perform at a state conference, was a testament to their high caliber. The Elementary Choral Festival allowed students to find their voice, and celebrate it with hundreds of other students, who also made themselves heard. Valley wide festivals cemented our right to compete against the best. Arts Fest displayed our student art, celebrated our student performers, and exposed our diligent work and local talent. The phenomenal Honor Concert proved to all who attended that Madera has "The Best of the Best".

The We Believe Conference, Service with Pride, the Parent Engagement Conference, Migrant Senior Recognition, Netherton Relays, the Class of 2019 Graduations, and many more, exhibited our student capabilities and commitment. An MUSD First Place Awardee in the Congressional Art Competition, California Music Educators Association Teacher of the Year, and the 2019 Best Communities for Music Education was well deserved.

We look forward to more actors, musicians, choirs, folkloric dancers, and mariachi performers. More student announcers, narrators, and the hundreds of students in general music. 2019-2020 will be even better!
