

*Parent Engagement is the Key to Student Success!*

# 2019

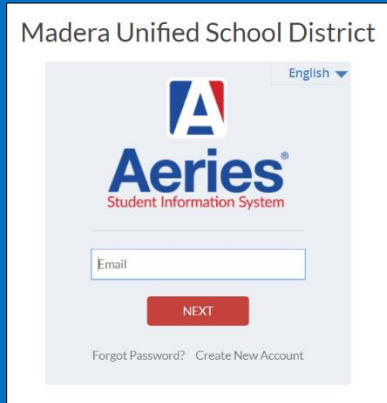

HAPPY NEW YEAR

Welcome back students, parents, teachers, staff, and volunteers. The beginning of the New Year marks a time of promise and possibility, 2019 is no exception. With skilled Parent Resource Center staff, talented volunteers, and supportive community partners, our parents and students are poised to reap the benefits of this extraordinary partnership.

The Department of Community Services and Parent Resource Centers directly supports the positive experience of our students and families, and our goal is to provide a phenomenal learning environment in which all MUSD families can flourish and achieve academic excellence. We look forward to helping students and parents continue the important work by providing the necessary support systems MUSD families' need, while fostering deeper relationships that strengthen capacity for increased academic, social, nutritional, and artistic strengths.

In addition, we are truly looking forward to meeting all of our new families and continuing to collaborate with our returning students and parents. The Parent Resource Centers are always open for you to stop by and learn of the services and resources waiting for you. Through these combined efforts, parents become intellectually, emotionally and physically stronger, therefore supporting their children as they strive to achieve greater academic goals.

# ATTENTION PARENTS!

Start the New Year viewing your child's academic progress.

Would you like to check your child's quarterly grades, attendance, discipline record and more? Parent Portal is an online website that provides you with specific information about your child and school. To access Parent Portal, simply visit the Madera Unified School District website and use the log in and password that your child brought home at the start of the school year.

If you need help or support accessing the Parent Portal, please contact your local Parent Resource Center. (See below for a list of all PRCs and contact information). PRC staff and volunteers are available to help you access your children's information.

# Kindergarten
