School Accountability Report Card

Reported Using Data from the 2019-2020 School Year

Published During 2020-2021

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

School Description and Mission Statement (School Year 2020-2021)

Madera South High School (MSHS) opened in the Fall of 2006 with ninth and tenth grade students. Proudly, we graduated our first senior class at the conclusion of the 2008-09 school year. Over the years, Madera South High has developed a variety of Career Technical Education pathways, some of which are recognized for excellence at the state and national level. Students have the opportunity to work at being both college and career ready, while earning their high school diploma. Students also have the opportunity for dual enrollment and concurrent opportunities that allow them to earn college credits while in high school. Our career pathways also offer certification opportunities.

The school's large campus is home to the school's awarding winning Agricultural Academy. Madera South High School's campus includes a school farm where various livestock is raised and crops are grown by students. In addition to this, the school has a fully operational florist that allows students on the job experiences. In addition, the school has a state of the art Agricultural welding shop.

Vision

MSHS is building a positive school culture that welcomes student and staff voice and values Character, Leadership, Academics, Sportsmanship and Service. The school community works together to create a positive learning environment and to develop relationships that make a difference in students' lives.

Madera South High School received a full six year accreditation from the Western Association of Schools and Colleges at the conclusion of the 2015-16 school year.

Mission Statement

Madera South High School's mission is to create a community of learners, inspired and challenged to obtain 21st Century Skills in an atmosphere of mutual respect and trust.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

*Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

Quality, Currency, Availability of Textbooks and Other Instructional Materials (School Year 2020-2021)

Year and month in which data were collected: October, 2019

Madera Unified held a public hearing on September 25, 2018, and determined that each school within the district had sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of Williams vs. the State of California. All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. Textbooks and supplementary materials are adopted according to a cycle developed by the California Department of Education, making the textbooks used in the school the most current available. Materials approved for use by the state are reviewed by all teachers and a recommendation is made to the School Board by a selection committee composed of teachers and administrators. All recommended materials are available for parent examination at the district office prior to adoption.

The table displays information collected in October, 2019 about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school.

School Facility Conditions and Planned Improvements

Madera South High was constructed in two phases. Phase 1 was completed in 1992 and phase 2 which allowed MSHS to open as its own comprehensive high school was completed in 2006. Madera South High School and is comprised of 117 classrooms, three large shop classes, two gyms, a weight room, a fitness room, two locker rooms, one multipurpose room/cafeteria, one library, and 4 computer labs.

Cleaning Process

The principal works daily with the custodial staff of 10 (8 full-time and 2 part-time) to ensure that the cleaning of the school is maintained to provide for a clean and safe school. The district governing board has adopted cleaning standards for all schools in the district. A summary of these standards are available at the district office for review.

Maintenance and Repair

District maintenance staff ensures that the repairs necessary to keep the school in good repair and work orders are completed in a timely manner. A work order process is used to ensure efficient service and the highest priority is given to emergency repairs. While reviewing this report, please note that even minor discrepancies are reported in the inspection process. The items noted in the table have been corrected or are in the process of remediation.

Deferred Maintenance Budget

The district participates in the State School Deferred Maintenance Program, which provides matching funds on a dollar-for-dollar basis, to assist school districts with expenditures for major repair or replacement of existing school building components. Typically this includes roofing, plumbing, heating, electrical systems, interior or exterior painting, and floor systems.

School Facility Good Repair Status

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The rate for each system inspected
- The overall rating

Year and month of the most recent FIT report: August 2020

System Inspected	Rating	Repair Needed and Action Taken or Planned
Systems: Gas Leaks, Mechanical/HVAC, Sewer	Good	
Interior: Interior Surfaces	Poor	
Cleanliness: Overall Cleanliness, Pest/ Vermin Infestation	Good	
Electrical: Electrical	Good	
Restrooms/Fountains: Restrooms, Sinks/ Fountains	Good	
Safety: Fire Safety, Hazardous Materials	Good	
Structural: Structural Damage, Roofs	Good

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Career Technical Education Programs (School Year 2019-2020)

Madera Unified School District (MUSD) has 27 career pathways that consist of a minimum of 3 courses (core, concentration, and capstone), and provide students with the opportunity to gain industry-level skills and knowledge through a rigorous and relevant curriculum, provide the opportunity to earn post-secondary college credits through articulation and Dual Enrollment and have the opportunity to attain industry-recognized stackable certifications. Most of the CTE classes receive A-G credit in core or elective areas. These pathways are represented by the following industry sectors: Agriculture and Natural Resources, Arts, Media, and Entertainment, Building Trades and Construction, Education, Child Development, and Family Services, Engineering and Architecture, Health Science and Medical Technology, Hospitality, Tourism and Recreation, Manufacturing and Product Development, Marketing Sales and Service, Public Services, and Transportation. Each career pathway offered is aligned to the fastest growing industry sectors in Madera County as verified through the Workforce Investment Board, Madera Redevelopment Agency, and EMSI. District and Career Pathway advisory committees meet minimally twice a year to ensure that each career pathway aligns to industry demands and are aligned with postsecondary institutions. Each Career Pathway advisory is comprised of teachers, parents, students, administrators, business and industry partners, representation from the Workforce Investment Board, career guidance counselors, and school board members. All Career Pathway courses are aligned to the CTE model standards and integrate California Common Core Literacy Standards. All courses are taught by appropriately credentialed CTE teachers and to ensure that CTE teachers are teaching industry-level skills they are required to complete a minimum of twenty externship hours annually. All Career Pathways are affiliated with a Career Technical Student Organization and student participation is a graded component of each career pathway course. All of the classes and pathway sequences can be found on <http://www.maderacte.com/>.

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020-2021)

Parents can become involved through membership in the School Site Council (SSC), English Language Acquisition Committee (ELAC), Parent Institute for Quality Education (PIQE), and through our ongoing training and workshops. We also have one parent that serves on a district level Parent Advisory Committee (PAC). Specific interest groups such as the Stallion Athletic Boosters, Stallion Band Boosters, Ag Boosters, Stallion Choir Boosters also assist with fundraising and student support. Parents are also encouraged to attend Back to School Night, 8th Grade Orientation Night, and award ceremonies. The school also holds special counseling nights for each grade level to help parents understand what students need at each step of their child's high school education. There are special events to assist parents such as our FAFSA night to help parents apply for financial aid. Parents receive information through progress reports, counselor/administrator contact, and the Parent Square messaging system. Madera South High School also hosts numerous athletic and extra-curricular activities and performances throughout the year. In addition to this, the school creates a monthly family newsletter that highlights events around campus and keeps parents informed.

Suspensions and Expulsions

(data collected between July through June, each full school year respectively)

Rate	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
Suspensions	9.9	8.6	6.6	6.5	3.5	3.5
Expulsions	1.1	0.8	0.4	0.3	0.1	0.1

Suspensions and Expulsions for School Year 2019-2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions	0.08	0.04	2.5
Expulsions	0.004	0.002	0.1

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

School Safety Plan (School Year 2020-2021)

Safety of students and staff is a primary concern of Madera South High. MSHS is always in compliance with all laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. The School Site Safety plan is updated annually and presented to the School Site Council. All revisions were communicated to both the classified and certificated staff members. Madera South High School's disaster preparedness plan includes steps for ensuring student and staff safety during a disaster. Fire and disaster drills are conducted on a (monthly/regular) basis throughout the school year. Lockdown drills are held (once a year/twice a year/as needed). There are designated areas for student drop off and pick up. Visitors must check into the main office before entering campus during school hours and are identified by a required visitors pass.

Types of Services Funded (Fiscal Year 2019-2020)

At the time this report was published, the most recent financial and salary comparison data from the State of California was for the 2018-19 school year. The Expenditures Per Pupil table provides a comparison of a school's per pupil funding from unrestricted sources with other schools in the district and throughout the state.

The California Department of Education issued guidance to the district in August 2019 regarding how to calculate school-level per-pupil expenditures that will be reported in the 2019-20 fiscal year.

For detailed information on school expenditures for all districts in California, see the CDE Current Expense of Education & Per-pupil Spending Web page at <http://www.cde.ca.gov/ds/fd/ec/>. For information on teacher salaries for all districts in California, see the CDE Certificated Salaries & Benefits Web page at <http://www.cde.ca.gov/ds/fd/cs/>.
