1:00-2:30	Instructional Block #3	90
2:30-3:15	Planning/Preparation	45

Wednesdays are asynchronous (independent) learning days. Teachers will schedule office hours during this day for any help or questions students or parents may have. Student work will be done independently. Students can refer to their Google Classroom for any recorded instructions about the independent work. When teachers are not in their “office” they will be planning, collaborating, or professional learning. Total asynchronous learning = 180 minutes for Kindergarten; 230 minutes for grades 1-3; and 240 minutes for grades 4-8.
