

Dear Students/Parents/Guardians,

Student behavior is a growing concern in Madera Unified. At Dixieland School, we want to be proactive in teaching our students positive behaviors. We are participating in a very important program called “Positive Behavioral Intervention and Supports” or

“PBIS”. We are using this program to help our students have a safe, positive learning environment and to provide consistency in all areas of our school.

What does PBIS look like at Dixieland?

We will be using consistent school expectations:

Dixieland Elementary, Cultivating a “PAWS”itive Community:

P- Pride

A- Achievers

W- Wise

S- Safe

You will see these expectations posted throughout the school. Teachers will be using school wide and classroom matrices and explicitly teach these four rules/attributes to our students for all areas of the school (cafeteria, playground, classroom, etc.).
