

Mountain Vista High School

Home of the Panthers

August 8, 2022

Hello Mountain Vista Families,

Welcome back to another year as a Mountain Vista High Panther! I am beyond excited to continue to improve and grow from where we left off last year. We are on the right path to creating a safe and inclusive environment for all students, parents, and staff. It is truly a privilege to lead a staff that genuinely care and want to make a difference in your child's life. We are all fully vested in motivating, encouraging, supporting, and working tirelessly to build up your students to be confident and continue to pursue their educational goals.

My staff and I are fully committed to creating an environment where your students will feel safe to take learning risks, create opportunities to establish positive relationships with adults and students on campus, and create a space for them to build leadership skills and be heard as students.

I bring a belief that students are at the center of all school-related decisions. I am excited to unite my experience, my openness to learn, and my student-centered approach to support our students. Because the relationships between families and the school are vital to the success of our students, I encourage you to become involved in every way possible. Together, we can support your student to have academic success by passing courses, earning the maximum amount of credits, and ultimately getting back on track to graduate on time with their class at MVHS or their respective comprehensive high school.

Mountain Vista is back to a traditional year with in person learning and the usage of masks is optional. We will begin the school year on **Monday, August 8th at 9:00AM.**

I look forward to meeting you soon!

Respectfully,

Alejandro Juarez
Principal, Mountain Vista High
