

James Monroe Elementary School

September 2021

Principal's Message

Hello Mighty Monroe Families! We are now well into September! We have celebrated Labor Day, and are currently in the 6th week of school! Progress Reports #1 will soon be available to you so you can monitor your child's progress. The weather will be cooling down soon, so be sure your child bundles up in the morning if you feel it is necessary. Please remember that we are still adhering to the processes and protocols outlined by Madera Unified and the Madera County Public Health Department, when it comes to identifying students who are showing symptoms, sending them home, or parents keeping them home, and what to do for students needing to be cleared before returning to school. We all know this is not an ideal situation, and it can be frustrating at times, but please know and understand that the nurse, administration, and school site are following the protocols that are currently in place. Thank you for all your continued support!

Event Highlights

Sports at Monroe!!!

We had not seen this for quite some time, so we were definitely excited to see SPORTS AT THE SCHOOL SITE! This past Friday, our Mighty Monroe Bear boys and girls basketball teams were in action versus Ezequiel Tafoya Charter School. It was great to see our students outside cheering on our teams, parents rooting for their child/team, vendors (SPED TEAM) selling snacks and goodies, and the players putting in their best effort during the game.

We want to thank Mr. Espinosa for working extra hard in setting things up, picking up the referees, and lots of behind the scenes work! Thank you to coaches Amezola, Connolly, and Aguilar for working with our students, and to everyone who came out to support our teams.

We are proud to say that both our Monroe boys and girls teams were victorious! Awesome job!!!
