## PICK UP AND DROP OFF

Thank you parents for all your patience and support as we continue to implement the Pick-up and Drop-off procedures. The cones in the back CAR drop-off appear to be working as intended. Remember our number one priority is your child's safety at all times. Your continued help with and support with following these procedures are greatly appreciated!

### As a reminder:

- If you drop off your child at 8:00 a.m. in the back parking lot that means your child is **LATE** to class. Students must be sitting inside the classroom by 8:00 a.m. **The recess bell rings at 7:55 a.m.**
- For safety reasons, please walk your child fully to and from the pavement walkway (*Not where cars drive up to exit*).
- The front of the office parking lot is a **BUS LOADING ZONE ONLY**. Thank you for respecting the cones and not driving through the roundabout. Please drop off your students in the back of the school.
- The back parking lot is the **DRIVE-THRU Drop off** (cars must follow the cones on Santa Cruz to enter and exit the parking lot area turning to the right only).
- Thank you for following the city's designated RED ZONE and not idling or parking in these areas for the safety of all students and staff.
- Lastly please remember there is NO SUPERVISION on campus prior to 7:25 a.m.
