Dear Chavez Families,

We want to welcome everyone to the new school year. We have had a very successful beginning of the year. Having students and teachers on campus brings all of us JOY!

Thank you for your patience as we discovered the minor challenges we would face starting a new school year with a parking lot under construction and the final touches of the new school paint project. We worked as quickly as possible to ensure a smooth morning transition for students and parents. You are important to us, and we do not want lengthy delays in the morning. Student pickup at the end of the day was also a system that needed to be updated. Remember that our goal is to get your child to you as quickly and safely as possible. Thank you for your patience as we transitioned from numbers to student names.

Please keep your numbers, as they might come back at some point.

What's new?

Have you heard about "The Specials"? It's not an up-and-coming musical band, but we are lucky enough to have our own Susan Russell and Elena Linares (both formerly 6th-grade teachers) who will now be teaching STEM (science, technology, engineering, math) and

Art!!
