

# Madera Unified Registration Now Open

ONLINE SCHOOL REGISTRATION BEGINS JULY 28th

## New Student

Now, If your child has previously attended school in Madera Unified and is returning for the 25-26 school year, you are considered a returning student and will need to select that option as your pre-enrollment.

- If the student is new to the district select New Student and answer the questions
- Student must show proof of residency and immunizations at the school site at a later date (the school site will contact with days and times to complete this task)
- If the student was previously on a declaration, student must show proof of residency at the school site at a later date (the school site will contact with days and times to complete this task)

## Returning Student

- If the student has previously attended a school within Madera Unified select Returning Student and answer the questions
- If the student is incoming Kindergarten and previously completed registration in March 2025, you are not required to complete this process
- If the student had a separation from the district and is returning back to MUSD, student must show proof of residency at the school site at a later date (the school site will contact with days and times to complete this task)
- If the student is an incoming 7th or 9th grader, student must show proof of residency at the school site at a later date (the school site will contact with days and times to complete this task)
- If the student has any significant health changes let the school site nurse know
