4. Approval of minutes (est. 3 min)

A motion was made to approve the minutes with corrections by Aaron Garcia and seconded by Andrea Sandavol. The corrections were made under New Business, the current sentence in the second paragraph reads " Mrs. Sisil noted that under "other" in three sections of the LCAP, under Goal 1 Action 4.5, Goal 2 Action 4.5, and Goal 4 Action 4.5 our PAC Committee wanted to allocate money towards a "Student Advocate, additional staff to support students in all elementary schools" for all of the schools in the district grades K-12." A spelling correction to Mrs. Sisil's name was fixed. The second correction is also a spelling error. Under New Business, third paragraph, first sentence it reads "Melody Mouton expressed that having a student advocate at all schools who help elevate some of the case load from our counselors." The word elevate should be read as the word alleviate. Motion was unanimously approved. Minutes approved unanimously by voice vote.

5. Opportunity for public input (est. 5 min)

- a. Time reserved for public input is limited to two minutes per person.

Elizabeth Yost has a child in the Autism Program at Pershing. She expressed her gratitude for not only the teaching staff but also the administrative staff. Her concerns are that because of the pandemic, kids were not tested or properly diagnosed by their pediatricians. With a late diagnosis or lack of diagnosis, it has now been left for the Madera Unified to help diagnosing and provide services. She also recognizes that even though the staff does its best, there is a lack of staff. Her suggestions to fix this may be to have our pathway students who are in education work in the classrooms. Or have it be a work experience class so high school kids can work and earn credits.

6. New Business (est. 30 min)

- a. PAC Feedback on the Me2Be Report

Discussion around parent and teacher conferences and the Me2Be Report.

- b. PAC Meeting Dates, 2023-24

The 2023-24 PAC Meeting schedule was reviewed and approved as presented.

7. PAC member updates regarding LCAP Feedback (est. 15 min)

- a. Superintendent's Written Response to PAC Feedback on LCAP 2023-24 - [Link](#)

Mrs. Sisil shared with us what Mr. Lile and the board members thought of our recommendations. They applauded our efforts and are appreciative of our dedication to the pack committee.

- b. The purpose of PAC updates is to provide members of the PAC an opportunity to communicate actions, challenges, or feedback aligned with LCAP goals and state priorities. Time reserved for PAC member updates is limited to two minutes per member. Items not related to this agenda may be considered for the next PAC meeting agenda.
