## **8. PAC Member Updates & Input.**

Haley Rivera-Gonzalez from Alpha shared with us that she recently attended sixth grade camp with Alpha School. This year they went to camp in Sonora for 4 ½ days. The educational based camp was lots of fun and even in the snow the kids learned a lot. Marissa Martinez from John Adams shared with us that the climate and culture department at their school donated a book vending machine. The kids are able to get books with tokens. Andrea Sandavol from Madera South High School shared with us that the WASC report for the school was very good. The art department is in need of a better ventilation system. When they are cooking the pots in the kilns the fumes are extremely strong. Bobbie Jo Bogart shared with us that Furman High is having a rummage sale on March 27-29, 2023 at Furman. The money made will help put on prom. If you have any donations for the sale please contact Furman High School. Toby Wong from Howard, shared that they are doing a read a-thon. Parker from the Grizzlies came to their rally. Each child who brought in a donation of five dollars or more, earned an opportunity to get one piece of duct tape to tape Principal Daily to a basketball poll. Ana Giron from James Monroe has concerns about traffic and parking by her school. There was a vacant dirt lot across from the school that people were parking in but PG&E is no longer allowing them to park there. People are driving too fast near her school and traffic is also.
