

Opportunities to earn COLLEGE CREDIT

There are currently 746 students at Madera South High participating in at least one of the programs listed below. Get started now!

In High School

About

Madera Community College Advantage Program (MCCAP)

MCCAP students take 2 pre-identified transferable courses per semester at the Madera Community College (transportation provided for AM). Student who successfully complete all 4 courses have the opportunity to earn 14 general education (GE) college credits and 40 high school elective credits. Classes are held everyday periods 1-2 or periods 5-6. **Courses include, but are not limited to: English, Statistics, Psychology, Sociology, Political Science, Criminology, Speech, Business, and Counseling**

Madera Community College Enrichment Program

The Madera Community College High School Enrichment Program offers students in 10th, 11th, and 12th grades an opportunity to enroll in college courses and receive college credit for up to two courses per semester. Transportation is not provided and only certain courses receive high school credit for classes.

Merced College Articulation

Agriculture students enrolled in Ag Fabrication, Diesel Engines, and Horticulture have the opportunity to apply to Merced City College and take a practical test to gain college credits for their courses.

Advanced Placement (AP) Program

AP classes offer a challenging and stimulating educational experience for college-bound students and often take more time, require more work, and give greater opportunity for individual growth and accomplishment. In May, AP exams are taken and scored on a 5 point scale. Most major colleges and universities recognize scores of 3, 4, or 5 for college credit. The amount of credit varies by institution. Madera South High School currently offers 13 AP classes: **AP Biology, AP Chemistry, AP English Language, AP English Literature, AP Studio Art, AP Calculus AB, AP Calculus, AP European History, AP US History, AP Psychology, AP Spanish Language, AP Spanish Literature.**
