2021-2022 School Accountability Report Card (Published During the 2022-2023 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>

For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2022-23 School Overview

Principal's Message:

We are excited for the 2022-23 school year! Many changes have taken place at our school and we are excited for what is to come this school year! Rigorous classroom instruction, a variety of sports activities, and school activities will add to the educational development of our students and community of Sierra Vista. We are firm believers that all students can achieve as long as we provide them with the necessary tools.

We hope that this school year brings new opportunities, new learning, new friendships, and new memories. This year we will focus on academics and the social and emotional needs of students and staff. At Sierra Vista, we take pride in providing every child with an education targeted towards their specific needs and abilities. We are committed to providing all students a rigorous curriculum, a positive learning environment, and a safe learning environment. It is an honor and a privilege to serve all children and the families of the Sierra Vista community.

Here at Sierra Vista Elementary, we are cultivating a "Ram-tastic" Community!

R- Respectful
A- Accountable
M- Motivated
S- Self-Disciplined

School Vision:

Sierra Vista's vision is to make sure that all those who enter as Kindergarteners are provided with a rigorous academic learning environment that inspires students to meet grade level targets and to empower students to become intrinsically motivated learners, who are responsible, ethical, creative and compassionate by the end of sixth grade. Students will be ready to promote with the skills and the knowledge needed to enter middle school without remediation.

School Mission:

Sierra Vista Elementary provides a safe environment where all students are valued and expected to achieve social and academic excellence.

A. Conditions of Learning **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

2021-22 data was not included as part of the initial release of data on 1/13/23. The CDE has indicated that the data will be available after the 2/1/23 SARC deadline. The data will be populated when it is published by the CDE.

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

2022-23 Quality, Currency, Availability of Textbooks and Other Instructional Materials

Madera Unified held a public hearing on September 24, 2019, and determined that each school within the district had sufficient and good quality textbooks, instructional materials, and science lab equipment pursuant to the settlement of Williams vs. the State of California. All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. Textbooks and instructional materials are adopted according to a cycle developed by the California Department of Education, making the textbooks/instructional materials used in the school the most current available. Textbooks and instructional materials approved for use by the state are reviewed by a selection committee of teachers and administrators and a recommendation is made to the School Board for their approved use at the local level. All recommended materials are available for parent examination at the district office prior to adoption.

School Facility Conditions and Planned Improvements

The campus was built in 1952 and additional portables have been added over the years. Sierra Vista now consists of 35 classrooms, one state preschool classroom, one SDC preschool, one Music/Band room, and one library. We also have one room that is utilized for our after school program, a multipurpose room, and administration offices.

All of the classrooms are in good repair, as is evidenced by our yearly Facility Report. The chart below displays the results of the most recent school facilities inspection information. The chart displays data collected in August 2022.

The playground/field is adequate for the number of students on campus. These structures and areas provide students with areas to be active during their recess times and PE.

Cleaning Process

The principal works daily with the custodial staff (3 full-time employees) to ensure that the school is maintained to provide a clean and safe school. They work a staggered shift schedule with one of them available on campus from 6:30 a.m. to 9 p.m. A three-person team from the district maintenance department services the larger maintenance needs approximately every six weeks. The district makes a great effort to ensure that all schools are clean, safe, and functional. To assist in this effort, the District uses a facility survey instrument developed by the State of California Office of School Construction. The district governing board has adopted cleaning standards for all schools in the district. A summary of these standards is available at the district office for review.

Maintenance and Repair

On a regular basis, classrooms and facilities are inspected by the custodial staff and administration to identify needed classroom repairs. District maintenance staff ensures that the repairs necessary to keep the school in good repair and work orders are completed in a timely manner. A work order process is used to ensure efficient service and the highest priority is given to emergency repairs.

Deferred Maintenance Budget

The district provides funds to assist the school district with expenditures for major repair or replacement of existing school building components. Typically this includes roofing, plumbing, heating, electrical systems, interior or exterior painting, and floor systems.

The following chart displays the results of the most recent school facilities inspection information. The chart displays data collected in August 2021.

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).
4. **College and Career Ready**
The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

SARC Reporting in the 2020-2021 School Year Only

Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

Options

Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2020-21 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-21 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-21 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-21 school year to other school years.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2020-21	School 2021-22	District 2020-21	District 2021-22	State 2020-21	State 2021-22
English Language Arts/Literacy (grades 3-8 and 11)	N/A	15	N/A	30	N/A	47
Mathematics (grades 3-8 and 11)	N/A	9	N/A	16	N/A	33

2021-22 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

2021-22 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2021-22 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. Due to changes to the 2021-22 PFT administration, only participation results are required for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2022-23 Opportunities for Parental Involvement

Sierra Vista Elementary has built partnerships with parents who assist us in creating and maintaining a strong and positive culture. The school has several parent volunteers who assist in a variety of ways at the school site to meet the needs at Sierra Vista. Parents are welcome to join Parent Club, School Site Council, English Language Advisory Committee, and The Wellness Committee. The school sponsors several community and family events, such as Back to School Night, Open House, Walk to School Day, The Harvest Festival, and our annual Cinco de Mayo Celebration.

Parents help with special projects in the classrooms and chaperone on field trips. All parents are invited to attend Back to School Night in the fall, Open House, and parent conferences at the end of each quarter. The Parent Club oversees all fundraising. Adult education through our Parent Resource Center (PRC) offers parenting, citizenship, and language classes.

We are fortunate to have a Parent Resource Center available to parents at Millview Elementary. It is the intent of the Parent Resource Center (PRC) to serve as a hub to provide academic and enrichment opportunities to families and parents. The PRC is a place where parents feel welcome and have a sense of belonging to the school community. The Parent Resource Center provides the following core services:

- *Referrals/Resources
- *Parent Education
- *Information Dissemination
- *Parent Advocacy
- *Adult Education Classes & Workshops
- *Family Health & Wellness
- *Spanish Translation Assistance
- *Community Partnerships
- *Drop-in services for assistance

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

Suspensions and Expulsions

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-20 suspensions and expulsions rate data are not comparable to other year data because the 2019-20 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-20 school year compared to other school years.

Subject	School 2019-20	District 2019-20	State 2019-20
Suspensions	0.99	4.05	2.45
Expulsions	0.00	0.18	0.05

This table displays suspensions and expulsions data collected between July through June, each full school year respectively. Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

2022-23 School Safety Plan

Safety of students and staff is a primary concern of Sierra Vista Elementary. The school is always in compliance with all laws, rules, and regulations pertaining to hazardous materials and state earthquake standards.

The School Site Safety plan was last reviewed and updated on September 21, 2022 by the School Safety Committee/School Site Council. It will be approved at our February 2023 SSC meeting. All revisions were communicated to the both the classified and certificated staff. The school's disaster preparedness plan includes steps for ensuring student and staff safety during a disaster. Fire and disaster drills are conducted on a regular basis throughout the school year. Lockdown drills are held three times a year.

All staff members on supervision duty are required to wear an orange or green vest, in order to be visible to students on the school grounds. Students are supervised before and after school by certificated staff and classified staff (including administration). Certificated staff and classified staff (including administration) supervise students during lunch. There is a designated area for student drop off and pick up. Visitors are required to sign in and out at the office and wear a visitors pass at all times. Sierra Vista Staff utilizes the Titan app to communicate any emergencies or suspicious activity on campus.

2021-22 Types of Services Funded

At the time this report was published, the most recent financial and salary comparison data from the State of California was for the 2020-21 school year. The Expenditures Per Pupil table provides a comparison of a school's per pupil funding from unrestricted sources with other schools in the district and throughout the state.

The California Department of Education issued guidance to the district in August 2019 regarding how to calculate school-level per-pupil expenditures that will be reported in the 2020-2021 fiscal year.

For detailed information on school expenditures for all districts in California, see the CDE Current Expense of Education & Per-pupil Spending Web page at <http://www.cde.ca.gov/ds/fd/ec/>. For information on teacher salaries for all districts in California, see the CDE Certificated Salaries & Benefits Web page at <http://www.cde.ca.gov/ds/fd/cs/>. To look up expenditures and salaries for a specific school district, see the Ed-Data Web site at: <http://www.ed-data.org>.

District Revenue Sources (Fiscal Year 2020-21)

In addition to general state funding, Madera Unified School District received state and federal funding for the following categorical funds and other support programs:

- Title I, II, III, and IV

Professional Development

Teacher and staff enhance their teaching skills by participating in selected conferences and workshops throughout the year. Teachers and staff share their experiences and knowledge with their colleagues during their grade level collaboration time.

The School Site Council has approved all training and in-services. All training is targeted to support the goals outlined in the school site plan. The vice principal, in collaboration with district academic coaches, assist with staff development for the 2022-2023 school year. Topics for staff development during the 2022-23 school year include: Data to Instruction Framework, Common Core State Standards (CCSS), ELD Instruction, and Instructional strategies and best practices for all core subject areas.

In addition, Grade level teams meet weekly to collaborate, analyze data, and plan with their grade level team. Monthly staff meetings are held for site-specific staff development, with a focus on school initiatives.

This table displays the number of school days dedicated to staff development and continuous improvement.

Subject	2020-21	2021-22	2022-23
