

Purposes of Student Representation

- Students bring a new perspective to PTA/PTSA ideas and programs.
- Viewpoints and ideas of students are essential because all PTA/PTSA programs focus on youth.
- Students and adults obtain a better understanding and appreciation of one another by working side by side on goal-related projects.
- Students gain leadership skills, such as goal-setting, decision-making, team building and conflict resolution while enhancing their own personal growth and development.
- Students obtain community service opportunities for high school credit. Active PTA/PTSA involvement is an excellent addition to any college or job application.
- Students are introduced to the legislative process and the importance of advocating for a cause through PTA's involvement in legislative activities.
- Student voices can be heard by elected representatives before the students reach voting age.
- Students provide PTA/PTSA with information regarding student interests and concerns thereby enhancing relevance and effectiveness of PTA/PTSA programs.
