

James Monroe Elementary School

April 2021

Principal's Message

Hello Mighty Monroe Families! I hope this message finds you and your family healthy and well! April is here and we are so very excited to continue welcoming students back on campus. On Tuesday, April 6th, grades 4, 5, & 6 will join the primary grades for hybrid, in person learning. Parents, remember to complete the daily screener for your hybrid student. This will help greatly with arrival procedures in the morning. Distance learning students need to continue logging into their zoom sessions in the afternoon with their teachers. Again, we are very proud of our students who have endured such a different and challenging year! And let's not forget our Mighty Parents who have been patient, helpful, and have worked together with their child and the school to navigate through these challenging times. Thank you all!!!

Upcoming Events

SQUARE APP**

James Monroe welcomes back MORE students on campus!

This past week we welcomed back the rest of our grade levels, and we officially have half of our students back on campus. More students meant, more surveys, more temp checks, and more students to call out over the radio during pick up. I think it's safe to say that we were all a little worried. But we got it, we made it happen and things went so well on that first day back.

There is not enough gratitude to share with you all! All staff members have been there ready and willing to help! Thank you all for all you do!
