

James Monroe Elementary School

August 2021

Principal's Message

Hello Mighty Monroe Families! We have begun a new school year, with all students returning to in person learning. The Mighty Monroe Staff is very excited to see our little bears in the classroom, cafeteria, out in the play areas, and throughout the school. Although certain restrictions have been lifted, we still want to follow previous guidelines, because they are simply good practices, for instance, sanitizing work areas after use, washing hands frequently, and keeping distances and respecting personal space. The wearing of the facemask, indoors by students and staff, is still being followed. We are also continuing with implementing the Daily Health Screener. Please be sure to complete that every day. If you need any assistance with Parent Square and/or the Daily Health Screener, do not hesitate to visit our front office. Thank you, and let's have an awesome year!

Upcoming Events

8/5 - Teachers return to campus!

8/9 - First Day of School!

8/12 - Early Out @ 1:10 pm

8/26 - Last early out of the year @ 1:10 pm

Event Highlights

Week one in the books for the Mighty Monroe Bears!

We had an interesting, but fun first week at James Monroe. It seems as if the school hasn't had a first day, or first week, opening in quite some time. The teachers and staff picked up right where we left off.

Some highlights!

- Administration visited every classroom to introduce themselves and briefly speak to the students.
- The Monroe PBIS team had their first meeting to discuss the upcoming implementation of various PBIS structures.
- Daily screener was implemented. There were many students sent to the cafeteria the first day. Since then, the number has dwindled down. We will continue to work on that!
- TK & Kinder parents were allowed on campus to assist their students and help them get acclimated to the campus and routines. Many of our students are learning and following the proper procedures in the morning and afternoon.
