James Monroe welcomes teachers back on campus and celebrates the return of students to the classrooms!

This past week, we welcomed our teachers and staff back on campus! We were very happy to see you all back healthy, ready to continue to teach and motivated to begin a new school year.

The morning was kicked off with a light breakfast and time for staff to get acquainted with one another. The ladies in the front office decorated the breakfast table with a Hawaiian theme, and staff were encouraged to wear Hawaiian attire/gear!

Mr. Perez and Mr. Espinosa delivered information for day one of the 2021/22 Institute Days. Information included a peek at the new and amazing Mighty Monroe Staff Shirt, introduction of new staff, staff changes, a "Together We Rise" Phoenix video, Joy in School Article jigsaw activity, review of Panorama survey student results, explanation of new elective classes schedule, and other information to help get the Mighty Monroe Staff off and running for the new school year!
