

STUDENT SQUARE

For 9th-12th Grade Students

StudentSquare is a safe and secure communication and workflow center between educators and students. With StudentSquare, teachers can communicate with students using posts or direct messages. Students are allowed to appreciate and comment on a post and initiate direct messages with teachers and group owners. Other helpful features for students include Calendars and RSVPs, Forms, Conferences, Sign-Ups, and Student Groups. Students can use StudentSquare either on the web, the StudentSquare app and also via email.
