Explained Parent involvement opportunities that happen at school.

##### **c. Approve School-Parent Compact**

This is a staff pledge, to provide high-quality education, etc and Students have responsibilities as well, along with family/parent pledge to help with those responsibilities. We use it in generality even in our COVID situation.

No revisions, Mrs. Stroh motioned to approve and Mr. Jasper second, with 4 "I's" to approve.

(Due to online learning we are not doing any attendance incentives. Under the circumstances we have some hardships at our site, but for the most part Parkwood students are logging on and participating to the best of their ability. )

**d. Review Quarter 1 Single Plan for Student Achievement (SPSA) Summary;**

About 133,000 dollars to fund some of the items on the Goal list. Also some carry over 48,000 dollars for this year. Haven't started to spend this money. By February will start to spend money, and it is very transparent with the council. It must support student achievement. \$1,500 per grade level was asked by Mr. Jasper, "Is it enough for each classroom?" Money can be increased if there is carry over. Any questions...
