

We are Sierra Vista ASP

Rams

Our Mission:

We are a free after school program that serves grades 1-6th. We provide students with homework help as well as providing students with an enrichment activity and extra support during our academic time. On early outs we let our students get out their jiggles with one hour of structured play.

This year we have many new faces in our staff and also some of our experienced tutors. Our awesome tutors include: Ms. Barriga(1st), Ms Morales(1st), Ms Flores(2nd), Ms Miranda(2/3rd), Ms Escobedo(3rd), Ms Mejia(4th), Ms Ramirez(4th), Ms Leal(5th) Ms Perez(5/6th), and Ms Gamboa(6th) and at the head of our program is our assistant site lead Mr Tadeo and the site lead Ms Jimenez.

All of these tutors provide our Sierra Vista students with tons of fun all the while helping them advance in their studies. We also provide our students with a Fun Friday day on Fridays that lets them create tons of arts and crafts, snacks, science experiments, and more! Come stop by and see the fun for yourself!
