

NCAA Eligibility Center

Who needs to register???

- Every student athlete who wishes to play a sport in college!
- I'm not going to play D1 sports, do I register?.....YES! D2 must be cleared as well.
- I'm starting at a Junior college, do I register?.....YES! This will make your transition easier, and even possible after your first year of JC.

Create a new account

- This should be done in the summer after your Sophomore year, or the beginning of your Junior year of high school
- Follow the step by step instructions on the website
- Once your account is set up and paid you will receive an NCAA number

I have an account.... Now What?

- Submit your NCAA number to the registrar's office at school and request your transcripts to be sent to the eligibility center
- If you attended more than one school, each school must submit your transcript to the eligibility center
- Take the SAT test and have the college board submit your scores to the NCAA

A screenshot of the NCAA Eligibility Center website displayed in a Windows Internet Explorer browser window. The browser title bar shows "http://web1.ncaa.org/# - NCAA Eligibility Center - Windows Internet Explorer". The website has a dark blue header with the NCAA Eligibility Center logo on the left and navigation tabs: "Welcome", "About the NCAA", "Divisions", "Sports", "For Parents", "Resources", and "Contact Us". A "LOGIN" section is visible in the top right corner with fields for "Username (e-mail)", "Password or PIN", and a "GO" button. The main content area is titled "RESOURCES" and contains a "Table of Contents" with the following links: "U.S. Students", "International Students", "Home School Students", "Contact Us", and "Forms". A callout box labeled "Click Here 2nd" points to the "Table of Contents" link. To the right of the resources list is a "Checklist:" section with two items: "Create account" and "Complete registration". Above the checklist is a sticky note labeled "Divisions" and another labeled "About the NCAA". The website background features a wooden desk with a calendar, a pen, a yellow cord, and a red "Sports" tag. The Windows taskbar at the bottom shows the "start" button, several open applications, and the system clock displaying "10:53 AM".

Your Path to the

Student-Athlete Experience

If you wish to participate in NCAA Division I or II athletics, you need to be certified by the NCAA Eligibility Center. You need to qualify academically and you will also need to be cleared as an amateur student-athlete.

You are responsible for achieving and protecting your eligibility status!

For a Complete List of NCAA Courses visit www.eligibilitycenter.org and enter the site as an NCAA College-Bound Student-Athlete. Navigate to the "Resources" tab, click "U.S. Students" and then "List of NCAA Courses." Follow the prompts to search for your high school's list by name.

Division I (*6 Core Courses)

4. years of English.
3. years of mathematics (Algebra I or higher).
2. years of natural/physical science (1 year of lab if offered by high school).
1. year of additional English/math/sciences or natural/physical science.
2. years of social science.
4. years of additional courses (from any area above, foreign language or computer science/religion/philosophy).

Division II (*16 Core Courses)

3. years of English.
2. years of mathematics (Algebra I or higher).
2. years of natural/physical science (1 year of lab if offered by high school).
3. years of additional English/math/sciences or natural/physical science.
2. years of social science.
4. years of additional courses (from any area above, foreign language or computer science/religion/philosophy).

*Students enrolling at an NCAA Division II college or university on or after August 1, 2013, will be required to complete 16 core courses. The current standard for Division II is 14 core courses.

Checklist for College-Bound Student-Athletes

- Register at the beginning of your junior year at www.eligibilitycenter.org.
- Ask your high school counselor to send your transcript to the NCAA Eligibility Center at the end of your junior year.
- Take the ACT or SAT and use the code "9999" to have your official scores sent directly to the NCAA Eligibility Center.
- Check with your high school counselor to make sure you are on track to graduate on time with your class and have the required amount of core courses.
- Request final amateurism certification during your senior year (beginning April 1).
- Ask your high school counselor to submit your final transcript with proof of graduation.

NCAA FRESHMAN-ELIGIBILITY STANDARDS QUICK REFERENCE SHEET

KNOW THE RULES:

Core Courses

- NCAA Division I requires 16 core courses as of August 1, 2008. This rule applies to any student first enrolling in any Division I college or university on or after August 1, 2008. See the chart below for the breakdown of this 16 core-course requirement.
- NCAA Division II requires 14 core courses. See the breakdown of core-course requirements below. Please note, Division II will require 16 core courses beginning August 1, 2013.

Test Scores

- Division I has a sliding scale for test score and grade-point average. The sliding scale for those requirements is shown on page two of this sheet.
- Division II has a minimum SAT score requirement of 820 or an ACT sum score of 68.
- The SAT score used for NCAA purposes includes only the critical reading and math sections. The writing section of the SAT is not used.
- The ACT score used for NCAA purposes is a sum of the four sections on the ACT: English, mathematics, reading and science.
- All SAT and ACT scores must be reported directly to the NCAA Eligibility Center by the testing agency. Test scores that appear on transcripts will not be used. When registering for the SAT or ACT, use the Eligibility Center code of 9999 to make sure the score is reported to the Eligibility Center.

Grade-Point Average

- Only core courses are used in the calculation of the grade-point average.
- Be sure to look at your high school's list of NCAA-approved core courses on the Eligibility Center's Web site to make certain that courses being taken have been approved as core courses. The Web site is www.eligibilitycenter.org.
- Division I grade-point-average requirements are listed on page two of this sheet.
- The Division II grade-point-average requirement is a minimum of 2.000.

DIVISION I 16 Core-Course Rule	
16 Core Courses:	
4	years of English.
3	years of mathematics (Algebra I or higher).
2	years of natural/physical science (1 year of lab if offered by high school).
1	year of additional English, mathematics or natural/physical science.
2	years of social science.
4	years of additional courses (from any area above, foreign language or non-doctrinal religion/philosophy).

DIVISION II 14 Core-Course Rule	
14 Core Courses:	
3	years of English.
2	years of mathematics (Algebra I or higher).
2	years of natural/physical science (1 year of lab if offered by high school).
2	years of additional English, mathematics or natural/physical science.
2	years of social science.
3	years of additional courses (from any area above, foreign language or non-doctrinal religion/philosophy).

PLEASE NOTE: Beginning August 1, 2013, students planning to attend an NCAA Division II institution will be required to complete 16 core courses.

OTHER IMPORTANT INFORMATION

- Division II has no sliding scale. The minimum core grade-point average is 2.000. The minimum SAT score is 820 (verbal and math sections only) and the minimum ACT sum score is 68.
- 14 core courses are currently required for Division II. However, beginning 2013, students will be required to complete 16 core courses.
- 16 core courses are required for Division I.
- The SAT combined score is based on the verbal and math sections only. The writing section will not be used.
- SAT and ACT scores must be reported directly to the Eligibility Center from the testing agency. Scores on transcripts will not be used.
- Students enrolling at an NCAA Division I or II institution for the first time need to also complete the amateurism questionnaire through the Eligibility Center Web site. Students need to request final amateurism certification prior to enrollment.

For more information regarding the rules, please go to www.NCAA.org. Click on "Academics and Athletes" then "Eligibility and Recruiting." Or visit the Eligibility Center Web site at www.eligibilitycenter.org.

Please call the NCAA Eligibility Center if you have questions:

Toll-free number: 877/262-1492.

Registration Checklist

Below is a list of items that you may want to have prepared prior to beginning your registration with the NCAA Eligibility Center.

Allow at least **15 minutes to one hour** to register completely. If you need to exit and come back at a later time, you can save and exit once your account has been created.

- Valid E-mail Address.** You need a valid e-mail address that you check regularly for any possible updates that the Eligibility Center might send. If you do not currently have one, there are several providers who provide free accounts (e.g., AOL, Gmail, Hotmail, Yahoo, etc).
- Basic Personal Information.** This includes information such as your name, gender, date of birth, contact information and a list of any other countries in which you have lived.
- Basic Education History.** This includes a list of all high schools or secondary schools you have attended and the dates during which you attended them.
- Additional Coursework.** This includes details pertaining to any coursework you may have taken in addition to your normal high school or secondary school education (e.g., courses taken to improve a grade, summer school courses taken at a location other than your high school or secondary school, courses taken at a college or junior college, or any type of correspondence or internet courses).
- Sports Participation History.** This includes details for any teams with which you have practiced or played or certain events in which you may have participated, as well as information about any individuals that have advised you or marketed your skills in a particular sport.
- Payment.** The Eligibility Center accepts Visa, MasterCard, Discover and American Express. If you are a U.S. resident, you can choose to pay by electronic check. Some individuals *may* qualify to apply for a fee waiver.

Show All Subject Areas

Courses designated with a '=' symbol are courses that may be used only by students with a diagnosed disability. A course for a student with disabilities must be **exclusively** open to students with documented learning disabilities. The course must be quantitatively and qualitatively the same as the regular equivalent and there must be a standardized curriculum/syllabus.

<https://web1.ncaa.org/hsportal/exec/hsAction> 8/25/2011

NCAA Eligibility Center - High School Portal Page 2 of 5

NCAA legislation permits a student to receive credit for a core course only one time. As a result, if a student repeats a core course, the student will only receive credit once for the core course, and the highest grade earned in the course will be included in the calculation of the student's core course grade point average. Likewise, if a student completes a course that is duplicative in content with another core course, the student will only receive credit for one of the duplicative courses, and the course with the highest grade earned will be included in the calculation of the student's core course grade point average.

This worksheet is a little difficult to understand, please use the NCAA Eligibility worksheet provided on our website. It is in Excel format and will automatically calculate for you!

Ref # 5

Division I Worksheet

This worksheet is provided to assist you in monitoring your progress in meeting NCAA initial-eligibility standards. The NCAA Eligibility Center will determine your official status after you graduate. Remember to check your high school's list of approved courses for the classes you have taken. Use the following scale: A = 4 quality points; B = 3 Quality points; C = 2 quality points; D = 1 quality point.

English (4 years required)

Course Title	Credit	X	Grade	=	Quality Points (multiply credit by grade)
Example: English 9	.5		A		(.5 x 4) = 2
Total English Units			Total Quality Points		

Mathematics (3 years required)

Course Title	Credit	X	Grade	=	Quality Points (multiply credit by grade)
Example: Algebra 1	1.0		B		(1.0 x 3) = 3
Total Mathematics Units			Total Quality Points		

Natural/physical science (2 years required)

Course Title	Credit	X	Grade	=	Quality Points (multiply credit by grade)
Total Natural/Physical Science Units			Total Quality Points		

Additional year in English, mathematics or natural/physical science (1 year required)

Course Title	Credit	X	Grade	=	Quality Points (multiply credit by grade)
Total Additional Units			Total Quality Points		

Social science (2 years required)

Course Title	Credit	X	Grade	=	Quality Points (multiply credit by grade)
Total Social Science Units			Total Quality Points		

Additional academic courses (4 years required)

Course Title	Credit	X	Grade	=	Quality Points (multiply credit by grade)
Total Additional Academic Units			Total Quality Points		

Total Quality Points	Total Number of Credits	Core-Course GPA (Total Quality Points/Total Credits)

14 COLLEGE-BOUND STUDENT-ATHLETE

Division II Worksheet

Questions???

- Use the NCAA! You pay for it! Call them....check their website....e-mail them!
- Contact your counselor
- Contact Ms. Stagnoli (Registrar)
- Talk to your parents! Get them involved and have them help you!

Are you clear??

- Follow through with the NCAA!! Make sure you are cleared to play!
- Follow up with your college! Make sure they show you as an eligible NCAA athlete as well.
- You can not check too many times!!
