5. New Business

1. Overview of SSC

Mr. Hollman presented a powerpoint presentation on the norms. This was a continuation of the last meeting. Looking at the big picture of SSC, which includes ELAC, the authority the School Site Council Board has in the approval of the funds spent in conjunction with the SPSA. Also including budget revisions and transfers with the CSI monies. We are on course through the use of the CSI monies to improve the low graduation rate. Our goals are aligned with ELCAP and District authorities. The committee views the annual plan and adjustments for academic improvement working from the plan approved this year. Section 4 from District Office accountability for raising student achievement.

2. Review of [SPSA 2019-2020](#)

Mr. Hollman had assigned the homework from the meeting of October 24, 2019 to review the Goals 1 through 4 pages 29 - 41 from the School Plan for Student Achievement (SPSA) packet that was presented in the meeting.
