MAS Students to Visit Madera Community College

On February 3rd, 2020, MAS Students will visit Madera Community College to learn about the many wonderful opportunities available to them. This will be the first time MAS students will have officially visited MCC. They will be greeted by MCC Vice President and staff. Students will get to tour the campus and talk to MCC personnel. Bus transportation will be provided by MAS.

Student or Staff Highlight

Yulisa Romo has been attending Madera Adult School for the past two years. She is enrolled in our High School Diploma. Her last school of attendance was Central High School in Fresno. She needs one credit to graduate and will be accomplishing this very soon! She says the people at MAS are very helpful and kind. They encouraged her to move forward in her life. She had some advice for her colleagues "Be your own leader, not a follower, and you will find a better and right path to be on". We are proud of Yulisa and all that she has accomplished in her young life!
