Questions:

1. When does the grant period end? **09/30/2024.**
2. Is it correct that you are requesting a three-year proposal, SY2021-2022, SY2022-2023, SY2022-2023? **Actually, requesting a 4-year period SY2020-21, SY2021-2022, SY2022-2023, SY2023-2024 - annual reports are due October (grant year timeframe is Sept-Oct, annually from 10/01/2019 - 09/30/2024).**
3. Are you able to share the original proposal that was awarded to Madera USD? Usually these are posted on the Ed Department's website. However, I do not see the proposal linked to the award: **See Attached Attached is our original application and Grant Award Notification (GAN) from US Dept of Ed. An RFP was not done for the grant application, just board approval to apply passed on 07/16/2019 BOE - under New Business-SFSS.**
4. Did Madera Unified work with an evaluator during the first part of this project? **No; however, we did work with ERC Consultant to write & help us apply for the grant (approval to apply 7/16/19 BOE; ERC approved in 2019-20 Annual Vendor Contract Service Agreements at 6/11/2019 BOE -under CAOs office).**

If so, which school climate survey? **Yes, Panorama (school climate, safety, belonging, engagement) surveyed in 18/19. Panorama student survey cancelled due to shelter-in-place as a result of COVID-19 pandemic in 19/20. Panorama student survey on well-being, student-teacher relationship and cultural awareness administered in Fall 2020; school climate, safety, belonging, engagement scheduled to occur in late May/early June 2021.**

10. Due to possible COVID-19 restrictions, is MUSD open to having virtual focus groups and interviews? **Yes, preferred**

Are you referring to classroom observations, observations of SUCCESS Program strategies, or observations to ensure valid completion of TFIs by school staff? **Classroom observations (virtually until our district allows site visits from consultants).**

12. In the RFP, MUSD specifies they want the evaluator to conduct pre/post testing. Is the pre/post testing referring to school climate surveys? **This should be the TFI (PBIS Implementation Evaluation) and School Climate Survey (Panorama student survey).**
