Basis for Specifications

Product specifications are based on averages resulting from normal manufacturing processes and may vary within normal industry tolerances. Product performance is not affected by such variances.

This carpet is produced solely for the use as a floor covering and is not recommended for any other use.

Colors may vary slightly from dye lot to dye lot.

As carpet is a textile material, a perfect pattern match is not guaranteed. Please refer to The New Patcraft & Designweave's recommended installation guidelines and techniques for a suitable match.

The New Patcraft & Designweave reserves the right to make changes in raw materials without notice where performance standards are maintained or exceeded.

Walk-off mats are recommended at building entrances.

Chair pads are recommended.

The installation process is critical for a satisfactory project. Consult The New Patcraft & Designweave's installation manuals and installers for installation assistance.

This sample folder is produced from recycled, recyclable or biodegradable materials. When products are discontinued, please join The New Patcraft & Designweave in reducing landfill waste by removing samples and placing the empty folder into a paperboard recycling container.

Product contains a minimum of 25% recycled content and/or is 100% recyclable. The product consists of one or a combination of the following: Eco Solution Q[®], EcoWorx[®] and/or EcoLogic[®] backings.

Tested and approved in accordance by the Carpet and Rug Institute's indoor air quality testing and labeling program for more information call 800-882-8846.
