Addendum No.1 Bid No.092623Solid Waste and Recycling Services

- Proposed Fees. I want to clearly understand how to complete page 5. If I input charges on the Trash-Recycling-Organics-Compactor Schedules monthly cost column, and total that up. Is that the number you want placed on page 5 Compensation? **Yes, for the Compensation page, you are listing a total monthly cost.**

Please clarify what needs to be summed in the Total Cost M&O, Facilities, Purchasing Yard (Trash), Or can we just place all of our charges on the Trash-Recycling-Organics-Compactor Schedules file? **M & O, Facilities and Purchasing Yard, we currently only have trash, so that number would be listed on the Trash Schedule page and listed separately on the Compensation page as well.**
