New Bid Turn In Process..

Changes to Bid Turn In

Due to the current and changing situation and to continue with work that is needed at our School Sites we have implemented changes as to how we are going to handle the Bid Turn In Process.

The District encourages vendors to submit bids in advance by mail and we will accept emailed bid packets.

If you email the packet, it will only be accepted if it is sent to susanharautuneian@madera.usd.org and it must be received no later than the date and time listed.

In order to comply with CDC guidelines and applicable Government requirements, no public opening will take place. ~~Instead, MUSD staff will open all bids once inside the building.~~

~~MUSD staff will collect all the bids. No public opening will take place at that time.~~

~~MUSD staff will open all bids once inside the building.~~ Staff will recap the Bids and post the Bid Tally along with each contractors Bid Form on the District Website. Once the Bid is Awarded, the Awarded bidder will be required to submit all the original copies to the Purchasing Department.

Questions:

1. Has there been any asbestos and lead survey performed for these projects? **The surface materials - no asbestos. We don't know what is behind the wall. 99% sure we are clean. If not, the contractor will immediately stop work and notify the Owner. MUSD will be responsible for abatement. No existing floor tile is to be disturbed. New tile over existing.**
