Background:	
--------------------	--

The Educational Protection Account (EPA) was approved by the voter in California under Proposition 30 on November 6, 2012. The provisions of Article XIII, Section 36 created in the state General Fund an Education Protection Account (EPA) to receive and disburse the revenues derived from the incremental increases in taxes imposed by Article XIII, Section 36(f). All monies in the EPA are continuously appropriated for the support of school districts, county offices of education, charter schools, and community college districts.

It is the intent of the legislature that all districts shall have the authority to determine how the monies received from the EPA are spent. However, in maintaining transparency, the Board of Trustees is required to make the spending determinations with respect to the funds received from the EPA in open session of a public meeting of the Board. Further, the funds received from EPA shall not be used for any administrative costs. The only exception is the payment of the additional audit costs pursuant to the audit requirements imposed by Article XIII, Section 36 of the Constitution.

Rationale:	
-------------------	--

Based on the foregoing, The Board of Trustees directs that the funds received from the EPA shall be spent as presented, thus satisfying the requirements imposed by Article XIII, Section 36 of the Constitution.

The \$66,075,258 Education Protection Account (EPA) funds received in 2024-25 will be spent in Teacher Salaries.

Fiscal Impact:	
-----------------------	--

The District is receiving quarterly apportionments from the State.
