## **Voluntary Field Trips- Jazz Band to Disneyland Winter 2018**

Every year, the MSHS Marching Band takes a voluntary trip to Southern California to visit and perform at one of the world's leading tourist destinations, Disneyland. By signing below, I voluntarily agree to pay for the trip items as listed in full. By signing, you acknowledge that this is a completely voluntary trip that requires equal share of all costs to be distributed evenly in order for the trip to take place. All financial donations will be made to MSHS Stallion Band Boosters, and will be applied via Charms. Students may access a detail of all financial records via their Charms Mobile App.

**Fundraising:** Students will have options to fundraise through several of the booster-sponsored activities that have taken place throughout the year, and many more are scheduled for the remainder of the school year. Some of these will include: Scrip Sales, Popcorn Sales, Cookie Dough, Candy Sales, Bowl-a-Thon, 59-Minute Fundraisers, and Fill-a-Shakos. Students are also encouraged to find sponsors and donations are always accepted and tax-deductible.

**Disneyland Tour:** Students will depart on the evening of **Thursday, November 29<sup>th</sup>**, and will return early evening **Saturday December 1<sup>st</sup>**. A detailed itinerary has been attached for your reference. Students will also perform a full length feature concert at one of the many performance areas in the Disneyland Resort. In addition, students will also have 2-day access to visit both Disney parks. 2 breakfast meals and light snack lunch options (hotel/booster provided) will be included in the student cost, and all other snacks/meals will be at the responsibility of the student.

If your family wishes to join, all hotel accommodation costs and reservations will be made at the responsibility of the student's family. Families and guests will be given the option to buy 2-day Park Hopper Passes at our given discount rate of \$192. **All guest orders need to be reserved by October 24<sup>th</sup>, and paid in full by November 7<sup>th</sup>.**
