Electronic Device Use Agreement

Electronic devices are valuable, fragile and desirable commodities. The following safeguards should be observed and implemented to protect them:

- Do not leave the device unsecured in your vehicle, a classroom, or public area.
- Do keep your device close to you and know where it is at all times.

I have read and agree to adhere to the district's acceptable use policy

- Do not eat or drink near the device.
- Do follow the district's acceptable use policy at all times while using the device.

The device listed below is issued to you as a Madera Unified Student and should be used only by you and only for school-related business. You are responsible for your device; if it is lost, stolen or damaged by misuse, it may not be replaced and you may be held financially responsible. Madera Unified School District has the right to inspect district-issued electronic devices on request.

Please note:

Your electronic device must be returned to your school site when you leave the district
or change schools within the district. Electronic devices may not be taken to a new
school or district without written authorization.
