DESIGNATION OF SUBCONTRACTORS

In compliance with the Subletting and Subcontracting Fair Practices Act of the Public Contract Code of the State of California, each bidder shall set forth below: (a) the name and the location of the place of business, (b) the California contractor license number, (c) DIR registration number, and (d) the portion of the work which will be done by each subcontractor who will perform work or labor or render service to the Contractor in or about the construction of the work in an amount in excess of one-half of one percent (1/2%) of the Contractor's Total Bid Price. If requested by the District, Bidders are required to submit the phone number, license expiration date and any other requested information for each subcontractor listed in its bid with in twenty-four (24) hours of bid opening. No time extension will be allowed for submission of information required by this document.

If no subcontractor is specified, for a portion of the work, or if more than one subcontractor is specified for the same portion of Work, to be performed under the Contract in excess of one-half of one percent (1/2%) of the Contractor's Total Bid Price, then the Contractor shall be deemed to have agreed that it is fully qualified to perform that Work, and that it shall perform that portion itself.

Note: If alternate bids are called for and Contractor intends to use different or additional subcontractors on the alternates, a separate list of subcontractors must be provided for each such alternate. Identify any such additional subcontractors by alternate bid number.

DOCUMENT 00420

DESIGNATION OF SUBCONTRACTORS

In compliance with the Subletting and Subcontracting Fair Practices Act of the Public Contract Code of the State of California, each bidder shall set forth below: (a) the name and the location of the place of business, (b) the California contractor license number, (c) DIR registration number, and (d) the portion of the work which will be done by each subcontractor who will perform work or labor or render service to the Contractor in or about the construction of the work in an amount in excess of one-half of one percent (1/2%) of the Contractor's Total Bid Price. If requested by the District, Bidders are required to submit the phone number, license expiration date and any other requested information for each subcontractor listed in its bid with in twenty-four (24) hours of bid opening. No time extension will be allowed for submission of information required by this document.

If no subcontractor is specified, for a portion of the work, or if more than one subcontractor is specified for the same portion of Work, to be performed under the Contract in excess of one-half of one percent (1/2%) of the Contractor's Total Bid Price, then the Contractor shall be deemed to have agreed that it is fully qualified to perform that Work, and that it shall perform that portion itself.

Note: If alternate bids are called for and Contractor intends to use different or additional subcontractors on the alternates, a separate list of subcontractors must be provided for each such alternate. Identify any such additional subcontractors by alternate bid number.

DESIGNATION OF SUBCONTRACTORS

compliance with the Subletting and Subcontracting Fair Practices Act of the Public Code of the State of California, each bidder shall set forth below: (a) the name and the location of the place of business, (b) the California contractor license number, (c) DIR registration number, and (d) the portion of the work which will be done by each subcontractor who will perform work or labor or render service to the Contractor in or about the construction of the work in an amount in excess of one-half of one percent (1/2%) of the Contractor's Total Bid Price. If requested by the District, Bidders are required to submit the phone number, license expiration date and any other requested information for each subcontractor listed in its bid with in twenty-four (24) hours of bid opening. No time extension will be allowed for submission of information required by this document.

If no subcontractor is specified, for a portion of the work, or if more than one subcontractor is specified for the same portion of Work, to be performed under the Contract in excess of one-half of one percent (1/2%) of the Contractor's Total Bid Price, then the Contractor shall be deemed to have agreed that it is fully qualified to perform that Work, and that it shall perform that portion itself.

Note: If alternate bids are called for and Contractor intends to use different or additional subcontractors on the alternates, a separate list of subcontractors must be provided for each such alternate. Identify any such additional subcontractors by alternate bid number.
