Madera Unified will Host the Groundbreaking Ceremony for A New Innovative High School

Madera, Calif.- Madera Unified will host the groundbreaking ceremony for Matilda Torres High School on April 24. The campus is scheduled to be completed by August 2020 and will accommodate up to 2,200 students. This will be the third comprehensive high school in Madera Unified. Matilda Torres High School will be the first fully integrated educational complex in the community. The school will have state of the art classrooms that will house high quality Career Technical Education (CTE) pathways. The campus will also include a fully operational school based health center which will be managed by the Camarena Health Center.

Event Information:

When: Tuesday, April 24

Time: 9:30 a.m.

Location: 16645 Road 26, Madera Ca 93638, Southeast Corner of Martin Street & Road 26

###

Madera Unified School District was established in 1966. The District aspires to be widely recognized throughout California as a leader in education, where the futures of children are driven by their aspirations, not bound by their circumstances.
