

Please review the different options below and choose the transfer that meets your needs.

Open Enrollment Transfer

Lives in the district and wants to attend a different MUSD school

Applications to attend your school of choice must be submitted between March 1, 2024 through April 30, 2024 for the **2024-2025 school year**.

APPROVALS ARE NOT AUTOMATIC OR GUARANTEED. Student must enroll at their school of residence, in order to insure a place for your child.

Inter-District Transfer (Entering)

Lives outside the district and wants to attend a MUSD school

Each school district (e.g. Fresno, Central, Sanger Unified etc.) has their own policies and practices.

Applicants must be approved for release by their resident district AND then approved for enrollment by Madera Unified School District.

Transfers are valid for one school year and must renew annually.

Inter-District Transfer (Leaving)

Lives in the district and wants to attend a school in a different district

Applicants must be approved for release from Madera Unified AND then approved for enrollment by the requested school district

Applications must be emailed to transfers@madera.usd.org

Intra-District Transfer 23/24 school year

Intra-district transfers are available year round. This is a one-year short-term transfer available for specific reasons:

- Childcare
- Change of Address
- Employment
- Medical

Annual Employment Verification

Applications are available for parents who work within Madera Unified School District attendance boundaries.

Once granted, students become residents of the district, not a specific school. Parents must verify employment annually to maintain enrollment. New School Year applications are available annually on March 1st.
