1st Annual Madera Unified We Believe Conference

Madera, Calif. - Madera Unified School District is hosting its first annual We Believe Conference on March 6th at the Madera County Office of Education Conference Center from 5-8:30 p.m.

During the conference, attendees will be asked to Think Big and Dream Big on the future strategic direction of Madera Unified. The conference will features keynote addresses from the Madera Unified Board President and Superintendent of the district. Attendees will provide feedback on Madera Unified’s priorities which will be considered and reviewed by the district leadership and the Board of Trustees.

Attendees include parents, students, staff, and community members that have volunteered their time to support the educational well-being of the students and staff of Madera Unified in a variety of ways. These groups include Parent Advisory Committee, Union Representatives, Associated Student Body members, and many more.

Additionally, elected officials such as city council members, county supervisors and the Mayor of the city of Madera have been invited to attend the conference. The event will feature a data equity walk where participants will walk through a visual representation of both academic and
school climate related results. Furthermore, the event will have multiple break-out sessions connected to Madera Unified’s four pillars:

- Equitable Access to Rigorous High Level Programs
- Data Driven Professional Learning and Collaboration
- Safe and Healthy Environments for Learning and Work
- Strong Relationships with Families and Communities

###

**Madera Unified School District** was established in 1966. The District aspires to be widely recognized throughout California as a leader in education, where the futures of children are driven by their aspirations, and *inspired* by their circumstances.
