Lincoln	Nov. 18
Monroe	Nov. 18

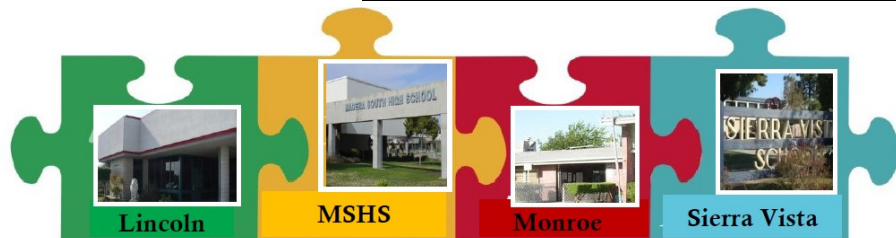

PIQE Graduation at MHS November 12, 2015

PRC Outreach and Collaboration Efforts

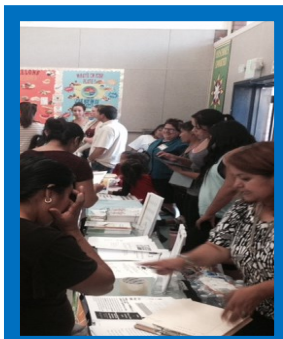

Outreach and community collaboration has been an important ingredient to the success of Parent Resource Centers (PRCs) and is recognized as a top priority in the continued growth and service within the (PRC's). The PRCs continue to establish strong and lasting partnerships with agencies and community groups in order to provide a broad range of programs, activities and services to meet the overall needs of families.

Visit Your Neighborhood PRC

Because each PRC is located within the four corners of the MUSD school boundaries that it serves, it provides a unique and vital role, not only within the various neighborhoods, but also for the community-wide human service provision network. Bringing services into the respective community not only eliminates tangible barriers to participation such as transportation, but also demonstrates a willingness to meet parents and families "half way".

Parent Resource Center

Working together with parents, schools, and the community to help students succeed.

Resources and Services waiting for you!

All parents of students who attend Madera Unified School District schools are welcome to take part in the educational programs offered through the Parent Resource Centers (PRCs).

Who We Are

The PRCs are designed to provide the proper resources that will help parents with their children's education and promote parent engagement, by encouraging parents to take an active role in their children's school.

What We Do

PRCs support MUSD families by:

- Developing resources for families to support their children's learning at home
- Providing opportunities for parents to become involved in their children's education
- Ensuring that families receive literacy training and resources to support their children's academic achievement

PRCs support MUSD communities by:

- Networking with community organizations to support family engagement in education
- Supporting early learning programs to promote school readiness
