Basic Start-Up Business Class "Doing Business the Right-Way"

The Parent Resource Center is hosting a series of workshops designed to learn the basic skills and strategies needed to have a successful, and sustainable business organization. The business class is offered in a ten (10) workshop series created by the Instructor, Claudia Bernal, CPA, for those individuals who are thinking about starting and operating their own business. The business class helps students discover their strengths and weaknesses and determine if they possess the personality, drive, creativity, adaptability and a host of other talents and attributes that comprise a successful entrepreneur.

Workshops are held weekly, Tuesdays from 4:00 to 5:30 pm at the Lincoln Parent Resource Center. The series of workshops is all inclusive of best practice "hands on" and "real life" activities. Topics include: the successful operation of a business, identifying revenue sources, customer base, products and details of financing. A new series will be offered during the spring semester. Please contact Mrs. Rosie Rivera, PRC Assistant at the Lincoln Parent Resource Center at 675-4600 Ext. 1707 to place your name on the interest list.

PIQE-Parent Institute for Quality Education

Parents at Madera South High School celebrated their graduation after completing a nine-week parent leadership course offered in partnership with the Parent Institute for Quality Education (PIQE).

25 GRADUATES!

Principal Oracio Rodriguez, congratulating graduates.

PIQE provided parents with an understanding of the high school system such as GPA, A-G requirement, CELDT and CAASPP Testing. In addition, parents learned about the deadlines associated with college entry applications, exams and financial aide while promoting parental involvement in the decision making process.

Maria Azucena Sandoval is being recognized as the “Parent of the Week” for her genuine interest and dedication to learning English. Mrs. Sandoval is new to Madera after relocating from East Palo Alto in August 2015. Mrs. Sandoval is very involved in the education of her children and very proud of their educational accomplishments. She is the mother of four. The two youngest attend Madera Unified School District Schools, her oldest son graduated from St. Mary’s college and her oldest daughter is currently attending St. Mary’s college as well. Mrs. Sandoval is currently attending the English as a Second Language class at Madera South High School and is particularly proud of her own progress.
