## GRADUATION—A TIME FOR CELEBRATION!

Madera Unified School District (MUSD) strives to support parents and guardians by providing resources and services for all students to remain on their academic target levels and ultimately reach graduation. From kindergarten to 12th grade, our focus is for every student's daily instruction to result in academic learning and student engagement. The goal is for students to receive their high school diploma in recognition of mastering the educational standards and expectations of MUSD.

Parent Engagement is on the rise. Parents have been exposed to a variety of great parent involvement programs that have helped expand their knowledge and open the lines of communication between students, parents and the community. It is great to see the pride of each parent as they celebrate their own milestone after graduating the various comprehensive programs offered through MUSD schools.

## Parent Of The Week

Mrs. Cecilia Quintanilla is being recognized as the “Parent of the Week” for her dedication to facilitating the Parenting Partners Program for the past two years. She currently serves as a volunteer at Lincoln Elementary School, helping teachers in the classroom.

Mrs. Quintanilla has been extremely active at Lincoln where she supports multiple parent engagement projects and events. Mrs. Quintanilla will be moving out-of-state in July and will be greatly missed. We wish her and her family much success as she transitions into a new home and school. We thank her for the many hours of contribution and support she provided for the entire Lincoln Elementary School community.
