**INSURANCE STATEMENT:** Under state law, school districts are required to ensure that all members of school athletic teams have accidental injury insurance that covers medical and hospital expenses. Students must have insurance before they are allowed to practice and participate in athletic programs. This insurance requirement can be met by the school district offering insurance or other health benefits that cover medical and hospital expenses.

Some pupils may qualify to enroll in no-cost local, state, or federally sponsored health insurance programs. Information about these programs may be obtained by calling Healthy Families at 1-800-880-5305.

California school law (Education Code 32220-24) requires every member of an athletic team to have bodily injury insurance providing at least \$1500 of scheduled medical and hospital benefits. The Madera Unified School District makes available upon request insurance through a private insurance company for all students which will meet the education code insurance requirements.

**ATHLETICS – WARNING OF RISK FOR ALL SPORTS**

**SERIOUS, CATASTROPHIC AND PERHAPS FATAL INJURY MAY RESULT FROM ATHLETICS PARTICIPATION.** By its very nature, competitive athletics may put students in situations in which accidents may occur. Many forms of athletic competition result in violent physical contact among players, the use of equipment that may result in accidents, strenuous physical exertion, and numerous other exposures to risk of injury. Students and parents must assess the risks involved in such participation and make their choice to participate in spite of those risks. No amount of instruction, precaution, or supervision will totally eliminate all risk of injury. Just as driving an automobile involves choice of risk, athletic participation by students also may be inherently dangerous. The obligation of parents and students in making this choice to participate cannot be overstated. There have been accidents resulting in serious permanent physical impairment as a result of athletic competition. Students will be instructed in proper techniques to be used in athletic competition and in proper utilization of all equipment worn or used in practice and competition. Students must adhere to that instruction and utilization and must refrain from improper uses and techniques. By granting permission for your student to participate in athletic competition, you, as a parent or guardian, acknowledge that such risk exists. By choosing to participate in athletic competitions, you, the student, acknowledge that such risk exists. **FOOTBALL PLAYERS: No helmet can prevent all head or neck injuries a player may receive while participating in football. DO NOT USE YOUR HELMET TO BUTT, RAM OR SPEAR AN OPPOSING PLAYER. This is in violation of the football rules and such use can result in severe head or neck injuries, paralysis or death to you and possible injury to your opponent.** If any of the foregoing is not completely understood, please contact the Athletics Director at Madera South High for further information.

We have read and understood the material included in the "Warning of Risk", including the Football Helmet warning. I certify that I have read and understood the warning.
