*Parent Engagement is the Key to Student Success!*

**Berenda Elementary School Hosts**

# FAMILY MATH NIGHT

Family Math Night is an exciting school wide Math event for students, teachers, and families. It is focused on key Mathematic topics and includes hands-on interactive learning that's FUN! The activities give access for Kindergarten to 6th graders through Math stations that are appropriate for all levels. All the activities are standards based. Family Math Nights impress upon parents and children the importance of perseverance in solving hard problems and understanding how critical Mathematics are to student success in school and throughout life.

# COMMUNITY HEALTH FAIR

The Madison, Monroe, and Sierra Vista Parent Resource Centers along with the Cal Fresh Program, Camarena Health, and Madera County Public Health Department, hosted health fair in March. Parents, students, staff, and the community were treated to a full evening of healthy information and treats. Various health care practitioners and staff representing local community agencies gathered to provide information on various services and resources. Free health screenings such as glucose, blood pressure, cholesterol, and vision we made available to those who attended. The Health Fairs also offered a unique "hands-on" cooking experience, which provided parents healthy foods, along with the recipes to take home and enjoy with their families.

## COMING SOON

**TRAUMA INFORMED PARENT WORKSHOP**  
Creating Trauma Informed Communities

**April 30, 2019**  
6:00-7:30 PM
