Rock of Ages Hair Design Project

Matilda Torres High School

Drama students from Elena Navarrette's class started this semester with a design unit and are working on a performance task that is requiring students to design hair for the show "Rock of Ages!" Their demos make references to their renderings, research boards, and end with a demonstration on the model of their choice. Students had the option of completing the hairstyle on themselves or a relative. Needless to say, they were having a lot of fun.
