*"It was an honor to meet the Band Director of Matilda Torres High School, Mr. Ryan Dirlam in-person. During my visit on campus, Mr. Dirlam was able to give me a tour of the Band and Choir rooms while reminiscing on some of our own experiences performing and discussing professional experiences. As a former colorguard student, it was exciting to see the enhancements and refinements of the program from a school site perspective. Mr. Dirlam spoke of his vision of the program at Matilda Torres High School and he was excited and eager to have students back on campus. I can't wait to see not only Matilda Torres High School, but all the Madera Unified School District's Visual and Performing Arts students back on the field."*
