

Mountain Vista High School

2022-2023 School Accountability Report Card (Published During the 2023-2024 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2023-24 School Contact Information

School Name	Mountain Vista High School
Street	1901 Clinton St.
City, State, Zip	Madera, CA 93638

2023-24 District Contact Information

District Name	Madera Unified School District
Phone Number	559.675.4500
Superintendent	Todd Lile
Email Address	toddlile@maderausd.org
District Website	www.madera.k12.ca.us

2023-24 School Description and Mission Statement

Principal's Message

Mountain Vista is a continuation high school, providing an alternative to the comprehensive high schools of Madera Unified School District. Students attending MVHS are provided a smaller learning environment where student relationships and connections are emphasized. At Mountain Vista, our staff help students reconnect to the learning process and provide guidance to enable them to get back on track for graduation.

MVHS students are held to high expectations for both academics and character. We use our ROAR motto to guide us to achieve these high expectations.

Mountain Vista High School graduates will be expected to R.O.A.R.:

RESPECT - Respect self, others, property, and environment.

ORGANIZATION - Organize time, obligations, and goal attainment through preparation and planning.

ACCOUNTABILITY - Aware of how our decisions and actions impact others and influence our ability to meet goals and expectations.

RESPONSIBILITY - Responsibility for all obligations including our obligation to live up to our potential.

Vision

Mountain Vista High School's vision for students is to show measurable growth toward on-time graduation along with college and career readiness by demonstrating their R.O.A.R (Respect, Organization, Accountability, Responsibility).

Mission Statement

We believe in providing students with a safe and positive learning environment that fosters their academic and social-emotional growth, instilling a growth mindset that inspires them to have confidence in their ability to be successful in school and in life.

School Profile (School Year 2023-24)

Mountain Vista is a continuation high school that serves the Madera Unified School Districts' 10th-12th grade students. The enrollment capacity of the school is 170.

2023-24 School Description and Mission Statement

Mountain Vista is a place for students who are not successful in a traditional high school setting to reconnect to school and focus on recovering credits. The reasons for this lack of success at the comprehensive schools are varied. Some students have engaged in behaviors that negatively impacted their learning and academic progress such as poor attendance. A small percentage of Mountain Vista's student population committed expellable offenses at the comprehensive high school sites and were sent to Mountain Vista on suspended orders. However, the majority of Mountain Vista students are voluntary transfers and have been referred to Mountain Vista because they have failed classes and are behind in graduation credits.

To meet the needs of students behind in credits, Mountain Vista High School runs a variable credit program. Students earn credits every three-week term. At the end of each term, if a student is passing a course with 60% or better they will earn 1 credit in that class. This credit earning system allows students the possibility of earning 6 credits per class per semester. Additionally, 1.5 credits can be earned for completing a grade level standards based performance task in each course taken. This allows students to earn up to 45 credits per semester within a regular day program. Students are also able to recover credits by taking extra courses outside the normal day through our 7th Period traditional in person courses or through Edgenuity, which is an online program that offers a variety of courses. Edgenuity courses are available during the normal school hours as well for credit recovery.

Teachers use an instructional model and strategies that engage students in the learning process and help students develop conceptual understanding. Mountain Vista also offers several extra-curricular activities and organizations for students such as Student Leadership and a year-long competitive sports program where students compete against other similar schools in Madera County.

Mountain Vista High School completed a full WASC self-study in Spring of 2022. The school was awarded a 6-year accreditation with a 1-day mid cycle review. This means that Mountain Vista's program has been examined and approved by the Western Association of Schools and Colleges. The school will be conducting another full WASC self-study in the Spring of 2028.

Mountain Vista was recognized with a Model Continuation High School award in 2018. The process to earn this award included a written application and a multiple day visit. Mountain Vista High School has been identified as a CSI school due to having a three-year graduation rate that is below 68%.

About this School

2022-23 Student Enrollment by Grade Level

Grade Level	Number of Students
-------------	--------------------

2022-23 Student Enrollment by Student Group

Student Group	Percent of Total Enrollment
---------------	-----------------------------

A. Conditions of Learning **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

2020-21 Teacher Preparation and Placement

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)						
Intern Credential Holders Properly Assigned						
Teachers Without Credentials and Misassignments (“ineffective” under ESSA)						
Credentialed Teachers Assigned Out-of-Field (“out-of-field” under ESSA)						
Unknown						
Total Teaching Positions						

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

2021-22 Teacher Preparation and Placement

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)						
Intern Credential Holders Properly Assigned						
Teachers Without Credentials and Misassignments (“ineffective” under ESSA)						
Credentialed Teachers Assigned Out-of-Field (“out-of-field” under ESSA)						
Unknown						
Total Teaching Positions						

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

Teachers Without Credentials and Misassignments (considered “ineffective” under ESSA)

Authorization/Assignment	2020-21	2021-22
Permits and Waivers		
Misassignments		
Vacant Positions		
Total Teachers Without Credentials and Misassignments		

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Credentialed Teachers Assigned Out-of-Field (considered “out-of-field” under ESSA)

Indicator	2020-21	2021-22
Credentialed Teachers Authorized on a Permit or Waiver		
Local Assignment Options		
Total Out-of-Field Teachers		

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Class Assignments

Indicator	2020-21	2021-22
Misassignments for English Learners (a percentage of all the classes with English learners taught by teachers that are misassigned)		
No credential, permit or authorization to teach (a percentage of all the classes taught by teachers with no record of an authorization to teach)		

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>.

2023-24 Quality, Currency, Availability of Textbooks and Other Instructional Materials

Madera Unified held a public hearing on September 25, 2018, and determined that each school within the district had sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of Williams vs. the State of California. All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. Textbooks and supplementary materials are adopted according to a cycle developed by the California Department of Education, making the textbooks used in the school the most current available. Materials approved for use by the state are reviewed by all teachers and a recommendation is made to the School Board by a selection committee composed of teachers and administrators. All recommended materials are available for parent examination at the district office prior to adoption.

The table displays information collected in October, 2019 about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school.

Year and month in which the data were collected

July 2022

Subject	Textbooks and Other Instructional Materials/year of Adoption	From Most Recent Adoption ?	Percent Students Lacking Own Assigned Copy

School Facility Conditions and Planned Improvements

Mountain Vista High School is located at a community park facility owned by the city of Madera. Although the Madera Unified School District does not own the site, it maintains the school which is a group of buildings and portables separated from the park by a fence. In 2009, Madera Unified completed a renovation of the Mountain Vista campus which included renovations to the office, staff room, counseling offices, and existing classrooms. The 2009 renovation also added 6 portable classrooms. New concrete slabs, outdoor seating, and fencing were also a part of the renovation.

To house 170 students the Mountain Vista High School campus has 5 regular classrooms and 6 portables. One classroom has been renovated to include lab safety equipment. There is not currently a library, nor a designated computer lab. Students at Mountain Vista High each have a chromebook assigned to them that they take home and bring to school on a daily basis. All classroom space is used for teaching the courses in the master schedule.

In August of 2015, Madera Unified School District worked out an agreement with the City of Madera to renovate the gym that is adjacent to Mountain Vista with a renewal of the floors and paint of the interior. In the summer of 2016, both the school and the adjacent gym had their exteriors painted. Mountain Vista has use of the gym on an as-needed basis. In addition, Madera Unified School District purchased portable cafeteria-style tables so that students could eat in the gym during the winter months. In the Fall of 2022, the gym floors were renewed once again to provide the safety of students while actively participating in Physical Education.

P.E. classes are held in the community park or in the gym depending on availability of the gym since the City of Madera Parks and Recreation Department have usage priority of the gym.

In the Fall of 2022, a wrought iron fence was installed in the front of the school and back of the school to provide an added safety measure.

The school site is maintained by one day full time custodian and an evening part-time custodian at Mountain Vista High school.

On a regular basis, classrooms and facilities are inspected by the custodial staff and administration to identify needed classroom repairs. District maintenance staff ensures that the repairs necessary to keep the school in good repair and work orders are completed in a timely manner. A work order process is used to ensure efficient service and the highest priority is given to emergency repairs.

The district participates in the State School Deferred Maintenance Program, which provides matching funds on a dollar-for-dollar basis, to assist school districts with expenditures for major repair or replacement of existing school building components. Typically this includes roofing, plumbing, heating, electrical systems, interior or exterior painting, and floor systems. The district's governing board did approve deferred maintenance projects for the school, which included maintenance and operations routine maintenance supplies, pool supplies, building repairs, equipment replacement, land improvements, and building improvements.

Year and month of the most recent FIT report

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23
English Language Arts/Literacy (grades 3-8 and 11)						
Mathematics (grades 3-8 and 11)						

2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

CAASPP Student Groups	CAASPP Total Enrollment	CAASPP Number Tested	CAASPP Percent Tested	CAASPP Percent Not Tested	CAASPP Percent Met or Exceeded

CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

2022-23 Career Technical Education Programs

Mountain Vista High School provides students the opportunity to take Career Technical Education courses in the Public Safety pathway. Currently, Mountain Vista offers Intro to Public Safety, Crime Scene Investigation, and Public Services Academy. Students are encouraged to take advantage of this career pathway. All Career Pathways are affiliated with a Career Technical Student Organization and student participation is a graded component of each career pathway course. All of the classes and pathway sequences can be found on <http://www.maderacte.com/>. Here you will also find what specific courses are offered at each high school, where there is Dual Credit opportunities, and which courses receive A-G designation. If a pathway is not offered at a student's home school they are eligible for a Career Academy of Special Interest Transfer to ensure equal access for students based on their interests.

2022-23 Career Technical Education (CTE) Participation

Measure	CTE Program Participation
Number of Pupils Participating in CTE	
Percent of Pupils that Complete a CTE Program and Earn a High School Diploma	
Percent of CTE Courses that are Sequenced or Articulated Between the School and Institutions of Postsecondary Education	

Course Enrollment/Completion

This table displays the course enrollment/completion of University of California (UC) and/or California State University (CSU) admission requirements.

UC/CSU Course Measure	Percent
2022-23 Pupils Enrolled in Courses Required for UC/CSU Admission	
2021-22 Graduates Who Completed All Courses Required for UC/CSU Admission	

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2022-23 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT during 2021-22 and 2022-23 school years, only participation results are required for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Grade Level	Component 1: Aerobic Capacity	Component 2: Abdominal Strength and Endurance	Component 3: Trunk Extensor and Strength and Flexibility	Component 4: Upper Body Strength and Endurance	Component 5: Flexibility

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2023-24 Opportunities for Parental Involvement

Mountain Vista encourages parents and guardians to reconnect to school alongside their students. There are multiple opportunities for adults to do so at Mountain Vista High School including our School Site Council, English Learner Advisory Committee, CSI Planning Committee, Back to School Night, Open House, and parent conferences. Each enables families to become more familiar with the daily operations of the school and more importantly, an opportunity to establish relationships with staff. Both Mountain Vista students and staff members have participated in LCAP meetings as well.

Mountain Vista High School has one part-time Family Liaison. This person plays an integral role in providing communication between the school and parents. Additionally, the Family Liaison also focuses on improving student attendance by helping families connect to community services and other intervention from the school site. The Family Liaison makes families feel welcome and valued as a member of our educational community.

Mountain Vista strives towards meeting the needs of our parents. The school offers sessions where the school's counselor explains credits, graduation requirements, applying for college and financial aid. Parents also have access to student and school information through the Aeries Parent Portal, school website and through Parent Square communications.

Parent conferences are held on regular basis as a part of the school's intervention process. Struggling at-risk students who are identified by teachers, are provided with additional supports and interventions. The Family Liaison helps to coordinate parent conferences and Student Study Teams to meet the needs of our students and parents. For more information on how to become involved please contact our school at 559-675-4580.

C. Engagement

State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school dropout rates;
- High school graduation rates; and
- Chronic Absenteeism

Dropout Rate and Graduation Rate (Four-Year Cohort Rate)

Indicator	School 2020-21	School 2021-22	School 2022-23	District 2020-21	District 2021-22	District 2022-23	State 2020-21	State 2021-22	State 2022-23
Dropout Rate									
Graduation Rate									

2022-23 Graduation Rate by Student Group (Four-Year Cohort Rate)

This table displays the 2022-23 graduation rate by student group. For information on the Four-Year Adjusted Cohort Graduation Rate (ACGR), visit the CDE Adjusted Cohort Graduation Rate web page at www.cde.ca.gov/ds/ad/acgrinfo.asp.

Student Group	Number of Students in Cohort	Number of Cohort Graduates	Cohort Graduation Rate
All Students

Socioeconomically Disadvantaged		
Students Receiving Migrant Education Services		
Students with Disabilities		

2023-24 School Safety Plan

Safety of students and staff is a primary concern of Mountain Vista High School. The school is always in compliance with all laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. The School Site Safety plan was last reviewed and updated on October of 2023 by the School Safety Committee. All revisions were communicated to the both the classified and certificated staff. The school's disaster preparedness plan includes steps for ensuring student and staff safety during a disaster. Fire and disaster drills are conducted on a regular basis throughout the school year. Lockdown drills are held three times a year. Active shooter protocols, Risk/Threats logistics and assessment protocols. Students are supervised before and after school by certificated staff, classified staff and administration. Administration, counselors and classified staff supervise students during lunch. There is a designated area for student drop off and pick up. Visitors must check in at our front office before entering our campus. In the Fall of 2022, a wrought iron fence was installed in the front of the school and back of the school to provide an added safety measure.

2020-21 Secondary Average Class Size and Class Size Distribution

This table displays the 2020-21 average class size and class size distribution. The columns titled “Number of Classes” indicates how many classes fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Subject	Average Class Size	Number of Classes with 1-22 Students	Number of Classes with 23-32 Students	Number of Classes with 33+ Students
English Language Arts				
Mathematics				
Science				
Social Science				

2021-22 Secondary Average Class Size and Class Size Distribution

This table displays the 2021-22 average class size and class size distribution. The columns titled “Number of Classes” indicates how many classes fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Subject	Average Class Size	Number of Classes with 1-22 Students	Number of Classes with 23-32 Students	Number of Classes with 33+ Students
English Language Arts				
Mathematics				
Science				
Social Science				

2022-23 Secondary Average Class Size and Class Size Distribution

This table displays the 2022-23 average class size and class size distribution. The columns titled “Number of Classes” indicates how many classes fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Subject	Average Class Size	Number of Classes with 1-22 Students	Number of Classes with 23-32 Students	Number of Classes with 33+ Students

This table displays the 2021-22 Teacher and Administrative salaries. For detailed information on salaries, see the CDE Certification Salaries & Benefits web page at <http://www.cde.ca.gov/ds/fd/cs/>.

Category	District Amount	State Average for Districts in Same Category
Beginning Teacher Salary		
Mid-Range Teacher Salary		
Highest Teacher Salary		
Average Principal Salary (Elementary)		
Average Principal Salary (Middle)		
Average Principal Salary (High)		
Superintendent Salary		
Percent of Budget for Teacher Salaries		
Percent of Budget for Administrative Salaries		

2022-23 Advanced Placement (AP) Courses

This table displays the percent of student in AP courses at this school.

Percent of Students in AP Courses	

This table displays the number of AP courses offered at this school where there are student course enrollments of at least one student.

Subject	Number of AP Courses Offered
Computer Science	
English	
Fine and Performing Arts	
Foreign Language	
Mathematics	
Science	
Social Science	
Total AP Courses Offered Where there are student course enrollments of at least one student.	

Professional Development

Our school is committed to improving the performance of all students through a comprehensive professional development plan focused around our school-wide goals. Staff development days are designed to support staff to refine existing skills, learn new instructional strategies and gain knowledge needed for effective implementation of the curriculum, instruction and assessment. The Professional Learning Community process is highly valued and teachers have weekly opportunities to collaborate with their colleagues focusing on unit planning, data analysis, response to intervention academic and behavior strategies, student engagement, and English Language Development.

The district continues to offer a variety of professional development opportunities for staff on diverse topics. Professional Development is available through district workshops, conference attendance, and online learning. Teachers receive support from in- class coaching as well as feedback from administrators. New teachers have an assigned mentor that they work alongside with that provides coaching support and feedback.

This table displays the number of school days dedicated to staff development and continuous improvement.

Subject	2021-22	2022-23	2023-24
Number of school days dedicated to Staff Development and Continuous Improvement	3	8	8
