2021-2022 School Accountability Report Card (Published During the 2022-2023 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>

For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2022-23 School Overview

Principal's Message

John J. Pershing Elementary School is committed to providing exemplary education in a secure, positive, challenging environment, fostered by a cooperative effort between school, community, and home. Our students will become responsible, lifelong learners and productive members of society through a commitment to being the best they can be in mind, body, and spirit.

Pershing Elementary School has experienced great success in its short history. The school has established a very strong culture that revolves around student achievement and high expectations. The Pershing staff expects all students to score in the "Standard Met" or "Standard Exceeded" ranges on both State and District assessments. As the result of high expectations for student performance, Pershing Elementary School received the 'Virtues and Character Recognition Award' from the Fresno State Bonner Center for Character Education in 2022, and was named a 'California Distinguished School' by the California State Department of Education in 2010. Recently, Pershing Elementary earned the Platinum Seal for Positive Behavioral Intervention Support for 2022.

Pershing Elementary School believes in good "first teaching" and the power of best practices. Our goal is to make sure all students understand the concepts and skills being taught. Through our continuous cycles of inquiry and use of timely data, teachers are able to modify instructional methods and pacing to meet the needs of our students. Students are able to receive additional support through in-class and after-school interventions.

At John J. Pershing, we are extremely proud of our culture, academic climate, and student growth. We attribute our success to dedicated collaborative teaching staff and high expectations. Students are held accountable for their academics and character.

Mission Statement:

"Our students will become responsible, lifelong learners and productive members of society through a commitment to being the best they can be in mind, body, and spirit."

John J. Pershing Elementary is one of 28 elementary/middle/comprehensive/alternative high schools in Madera Unified School

A. Conditions of Learning **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

2021-22 data was not included as part of the initial release of data on 1/13/23. The CDE has indicated that the data will be available after the 2/1/23 SARC deadline. The data will be populated when it is published by the CDE.

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

2022-23 Quality, Currency, Availability of Textbooks and Other Instructional Materials

Madera Unified held a public hearing on September 24, 2019, and determined that each school within the district had sufficient and good quality textbooks, instructional materials, and science lab equipment pursuant to the settlement of Williams vs. the State of California. All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. Textbooks and instructional materials are adopted according to a cycle developed by the California Department of Education, making the textbooks/instructional materials used in the school the most current available. Textbooks and instructional materials approved for use by the state are reviewed by a selection committee of teachers and administrators and a recommendation is made to the School Board for their approved use at the local level. All recommended materials are available for parent examination at the district office prior to adoption.

School Facility Conditions and Planned Improvements

John J. Pershing is located on 17 acres of land in North East Madera. The school was built in 2007 with the remaining funds from a 2002 bond measure. The campus consists of five building structures. Three buildings house student classrooms which total 30. The administrative building houses the schools administrative staff, nurse's office, office assistant, conference room, staff lounge, teacher work room, and library. The cafeteria houses the kitchen as well as a stage area where our performing arts classes meet. In 2008, four portable classrooms were added to the campus to deal with student growth. One additional portable classroom was added in 2013. Two additional portable classrooms were added in 2014.

The campus has one soccer field and three baseball diamonds. It also includes six basketball courts, two four-square courts, and a large play structure. The kindergarten wing also has its own playground and shaded age appropriate play structure.

Cleaning Process

The school is in excellent condition and the custodial staff does a great job of keeping rooms clean and things in good working condition. We have three full-time custodians who work on different shifts throughout the day. This ensures that we have a custodian on campus from 6:30 a.m. until 10 p.m. on every school day.

The campus is very secure. All gates are locked during the school hours with the exception of the front gate next to the office. This allows our office staff to observe anyone coming onto or leaving campus. All visitors check in to the office before visiting any part of the campus.

Maintenance and Repair

On a regular basis, classrooms and facilities are inspected by the custodial staff and administration to identify needed classroom repairs. District maintenance staff ensures that the repairs necessary to keep the school in good repair and work orders are completed in a timely manner. A work order process is used to ensure efficient service and highest priority is given to emergency repairs.

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).
4. **College and Career Ready**
The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

SARC Reporting in the 2020-2021 School Year Only

Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

Options

Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2020-21 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-21 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-21 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-21 school year to other school years.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2020-21	School 2021-22	District 2020-21	District 2021-22	State 2020-21	State 2021-22
English Language Arts/Literacy (grades 3-8 and 11)	N/A	32	N/A	30	N/A	47
Mathematics (grades 3-8 and 11)	N/A	22	N/A	16	N/A	33

2021-22 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

2021-22 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2021-22 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. Due to changes to the 2021-22 PFT administration, only participation results are required for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2022-23 Opportunities for Parental Involvement

At John J. Pershing Elementary School, we believe that parents are an integral part of a child's success at school. We encourage parents to get involved at Pershing both informally and formally. Informally, we have numerous parents volunteer assist with classroom activities, volunteer to attend field trips, and volunteer to help with Family Fun Movie Nights, Spring Family Fun Carnival, Seasonal Community Events, and Book Fairs. (when allowed outside of COVID regulations) Formally, parents are also encouraged to get involved through our School Site Council (SSC), English Language Advisory Committee (ELAC), Parent – Teacher Organization (PTO), and Parent Advisory Committee (PAC).

We have numerous parents who volunteer with their child's classroom activities on a weekly basis. Parental support is provided to teachers with activity preparation. Parents also volunteer to help run our school book fair, fundraisers, and other special school events. The Parent-Teacher Organization holds fundraisers to help pay for student field trips, and organizes special school events such as our Spring Family Fun carnival, concession stands at special events and Family Fun Movie Nights.

Parents also serve on our SSC and ELAC. These important groups serve as both governing bodies and advisory groups. The SSC approves the school site plan, develops and approves the school's budget, and approves the School Safety Plan.

The ELAC committee acts in an advisory role to the school's administration in order to development and implement the English Language Development (ELD) program.

Pershing Elementary also holds an annual Back to School Night and Open House. These events are opportunities for parents to visit the school with their children or virtually via Zoom to see first hand the exciting things their students do at school. Parents also attend conferences with teachers. These one-on-one virtual meetings allow teachers to share important academic information with parents as well as answer any questions parents may have about their student's academic progress. Parents are also encouraged to attend our quarterly awards assemblies, our Band, Choir, & Orchestra Winter/Spring concerts, and athletics events.

Pershing Elementary School utilizes the Parent Square which allows us to communicate with every family with important information. This allows all parents to be contacted in a timely manner to help foster communication between school and home. For more information on how to become involved, contact Christina Riche, Vice Principal, at (559) 664-9741 or christinariche@

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

Suspensions and Expulsions

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-20 suspensions and expulsions rate data are not comparable to other year data because the 2019-20 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-20 school year compared to other school years.

Subject	School 2019-20	District 2019-20	State 2019-20
Suspensions	3.53	4.05	2.45
Expulsions	0.00	0.18	0.05

This table displays suspensions and expulsions data collected between July through June, each full school year respectively. Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

2022-23 School Safety Plan

The safety of students and staff is a primary concern at John J. Pershing Elementary. The school adheres to compliance with all laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. The School Site Safety plan was last reviewed and updated by the School Safety Committee and passed by the School Site Council in September 2022. All revisions were communicated to both the classified and certificated staff. The school's disaster preparedness plan includes steps for ensuring student and staff safety during a disaster. Fire and disaster drills are scheduled on a monthly basis throughout the school year when students and staff are present. Lockdown drills are held three times per year. Students are supervised before and after school by certificated staff and administration. Administration and certificated staff supervise before school, morning recess, and dismissal. Administration and classified noon aides supervise students during lunch and lunch recess. There is a designated area for student drop off and pick up. Visitors enter the school at the front gate (only open gate) and are required to sign in at the front office immediately upon arrival.

2021-22 Types of Services Funded

At the time this report was published, the most recent financial and salary comparison data from the State of California was for the 2021-22 school year. The Expenditures Per Pupil table provides a comparison of a school's per pupil funding from unrestricted sources with other schools in the district and throughout the state.

The California Department of Education issued guidance to the district in August 2020 regarding how to calculate school-level per-pupil expenditures that will be reported in the 2021-2022 fiscal year.

For detailed information on school expenditures for all districts in California, see the CDE Current Expense of Education & Per-pupil Spending Web page at <http://www.cde.ca.gov/ds/fd/ec/>. For information on teacher salaries for all districts in California, see the CDE Certificated Salaries & Benefits Web page at <http://www.cde.ca.gov/ds/fd/cs/>. To look up expenditures and salaries for a specific school district, see the Ed-Data Web site at: <http://www.ed-data.org>.

District Revenue Sources (Fiscal Year 2021-22)

In addition to general state funding, Madera Unified School District received state and federal funding for the following categorical funds and other support programs:

- Title I, II, III, and IV

Professional Development

The staff at John J. Pershing is committed to providing an exemplary education for all students. In order to accomplish this, staff needs to implement best practices and effective teaching strategies. Teachers receive training and staff development on an ongoing basis through in-service days, early release time, and after-school training. During the 2022-23 school year, the Pershing staff received training in Suicide Prevention, Energy Conservation, Professional Learning Community (PLC), English Language Development, LPAC Testing, SBAC Testing, Guided Reading, "SNAP Learning", "Thinking Maps", "Write From The Beginning", "Number Talks", and district core Math & ELA implementation. Teachers utilize Tuesday & Thursday Early Release days for Grade Level Planning. The 2022/23 school year continued to build on the 21/22 Professional Development trainings and implementation as well as the following: Positive Behavior Intervention Supports, Response to Intervention, Social-Emotional Learning, and Student Engagement. This 2022/23 school year continues to build upon previous years PD and also provides opportunities for individual grade levels to guide their professional development based on personal and/or student need.

This table displays the number of school days dedicated to staff development and continuous improvement.
